Q: When is the best time to get my NSU Shark Plate?

A: The best time to register with us for a shark plate is right after you receive your new registration. Since we cover the cost of the plate for one year, you will get the most for your money.

Q: What if I renewed my registration for 2 years instead of just 1?

A: Please mail in a check for \$30.00 with your application, made out to "BCRC", which stands for Broward County Revenue Collector. This will pay the "Tag" for your second year.

Q: Will I get a new registration sticker for my plate?

A: Yes, a new sticker will come with your new NSU Shark Plate.

Q: How long will it take me to get my NSU Shark Plate once I submit all of the required documents?

A: Your order will be processed and your plate should be delivered within a month. We collect 12 applications at a time, so this time is approximate. If you do not receive your new tag within 45 days, please call our office at 954-262-2118.

Q: How much will I have to pay when I renew my registration next year?

A: The next time you renew your registration, a \$30 vanity plate charge will apply.

Q: Is that \$30 fee tax-deductible?

A: No, it is not. However, the \$30 transfers into a scholarship fund for NSU students.

Q: If I have the old NSU plate, will NSU replace it with the new Shark Plate for free?

A: No, the free replacement program does not apply to someone with the old NSU plate. Contact your local tax collector's office and let them know you would like to update your plate to the new NSU Shark Plate. Charges may apply.
