### FALL SEMESTER EVENT AND WORKSHOP OVERVIEW

**Career and Graduate School Expo**  
What will be your next step to #NSUsuccess? The Career and Graduate School Expo provides all NSU students with internship, career and graduate school opportunities to pursue during or after their time at NSU.

**Career Ambassador Workshops**  
Career Ambassador Workshops are student-run workshops that cater to the career needs of undergraduates. They are interactive and cover topics like social media in the workplace, LinkedIn profiles, and how Career Development can help you prepare for the next step after college.

**Veteran Workshops**  
Career Development is proud to offer our Student Veteran Workshop Series as a resource to guide our veteran students throughout their time at NSU. Workshops will focus on topics that will help student veterans succeed in their career pursuits, such as career exploration and planning, resume writing for federal positions, and networking with employers.

**Trick to the Treat**  
Hear students present on their Biology and Medicine internship and research experiences. Learn how and why to apply to a science related internship or research opportunity. Have your questions answered by faculty and career staff members.

**Business Week**  
In collaboration with the H. Wayne Huizenga College of Business and Entrepreneurship, “Business Week” has something for every business major. Each day of the week, a different industry within business is highlighted. Events include employer panels, competitions, and mock interviews. The events provide an avenue for you to get a better understanding of your areas of interest, steps to take in order to reach your goals, and opportunities to network with employers to showcase your skills and abilities.

**Lunch Bytes**  
Want to connect with employers in the computing industry? Are you not sure if graduate school is for you? Looking to start your internship search? The Lunch Bytes series focuses on connecting students with employers and industry specific needs.

**Employer Engagement Workshops**  
Interact with employers across various industries with an interest in engaging with NSU students for potential internship and employment opportunities.

**Holiday Extravaganza**  
The Holiday Extravaganza is a time to celebrate the completion of the semester with the Career Ambassadors. Come enjoy snacks and a fun activity.
