Wanda Martinez joined the NSU family in July 2015. She supports students and faculty by coordinating the daily activities in the laboratory and ensures adherence to lab standards and practices. Wanda provides assistance in facilitating programs to improve student learning and carry out title V grant goals.

Wanda grew up in New York and moved to the sunshine state in 2004. She previously worked at American Express where she provided guidance and training on regulatory requirements and lead employee development efforts. Wanda is a first generation college student and earned a Bachelor of Science in Business Management from University of Phoenix. She loves building relationships with people of different backgrounds and learning from students just as much as they learn from her.

Wanda enjoys spending time with family, hosting events, and participating in volunteer opportunities that benefit our youth.
