## CERTIFICATION OF SPECIFIC COMPLIANCE

---

---

I certify that I have reviewed the NSU Specific Compliance Training Tape(s) regarding the following:

1. The submission of accurate bills for services rendered to Medicare and/or Medicaid patients;
2. Policies and procedures and other requirements applicable to the documentation of mental health records;
3. The personal obligation of each individual involved in the billing process to ensure that such billings are accurate;
4. Applicable reimbursement rules and statutes;
5. The legal sanctions for improper billings and examples of proper and improper billing practices.
6. OSHA regulations and obligations outlined by the program and the university.
7. Risk Management Guidelines
