Records at the U.S. Department of Education indicate you have had a federally funded educational loan which has received a final discharge due to total and permanent disability. Before we can process your application, we must determine if you are eligible to borrow a new educational loan.

**Please complete Section 1 AND Section 2 below and submit this form to April Halaychik, Assistant Director of Loan Operations and Debt Management in the Office of Student Financial Assistance.**

**Section 1:**

I have had a prior federally funded educational loan discharged due to total and permanent disability. I am now seeking to obtain a new federally funded educational loan.

To meet the requirements to qualify for the new loan, I must.

- a) Provide a signed physician’s statement on the physician’s letterhead stating that I may now engage in “substantial gainful activity,” and
- b) Acknowledge that the new loan may not be discharged due to the same disability unless the disabling condition substantially deteriorates.

I have attached the required physician’s statement, **AND**

I hereby acknowledge that any new loan I am seeking may not be discharged due to the same disability unless the disabling condition substantially deteriorates.

I have attached this reaffirmation from my guarantor.
