Date: June 1, 2010

Please review the following College policy regarding drug and alcohol use. Please sign and date indicating that you have read and understand this policy.

*The College of Allied Health and Nursing has a zero tolerance policy for drug use. This includes the use of illegal drugs, the use of controlled substances without a prescription, and the use of or being under the influence of alcohol while on rotation / clinical experience, or in class. Should a student receive a positive drug or alcohol screen and follow-up screen, the student will be expelled from his or her program.*

*If a student reports to the academic program for help with a personal drug or alcohol concern prior to being informed of an impending drug test, the student will be required to report to the Dean's office for referral to the HPD Student Assistance Program. The student will only be permitted to report to class or a rotation / clinical experience if cleared by the HPD Student Assistance Program and the College of Allied Health and Nursing Dean's Office.*
