For your first semester, the nursing support coordinator will register you for your courses (the four courses are listed above: NUR 3000, NUR 3160, NUR 3005 and PHS 4904). We can only register you if you have returned the intent to enroll letter to admissions and met your financial obligations. Beginning with the second semester you will be responsible for registering for your own classes.

You will note that with your acceptance letter you received information on how to obtain an NSU username and password. Webmail is your NSU email and you can expect to receive correspondence from financial aid, admissions and your advisor. WebSTAR will allow you to view your class schedule, account balance and financial aid disbursements. Blackboard/WebCT will allow you to view your courses. You can access your Webmail, Blackboard/WebCT and WebSTAR from the SharkLink homepage (<https://sharklink.nova.edu/cp/home/displaylogin>). If you need further assistance please contact the help desk at (954) 262-4357 or 800-541-6682 ext. 2HELP.
