

Student Success Program

Effective 05/2010

A. Learning Enhancement Sessions

1. Learning enhancement sessions will be scheduled after each exam.
2. Students who fail an exam will be required to attend the scheduled Learning enhancement session.
3. Sessions will be designed to assist students in mastering the course material through the use of various learning strategies.
4. Students who are absent from a required learning enhancement session will have the absence documented and placed in their student file.

B. National League for Nursing Total Solutions Package

1. The Nova Southeastern Nursing Department uses the NLN Total Solutions package as an assessment of student learning and for curriculum improvement. The purpose of the assessment is to help students identify areas of strength and areas for development. Students can then focus on improving mastery of these concepts as they move through the program. A remediation packet designed to assist students to review the concepts will be provided.
2. The following courses will have an NLN linked to them:
 - a. Term I NUR 3000,
 - b. Term II NUR 3130; NUR 3029
 - c. Term III NUR 3180
 - d. Term IV NUR 4110, NUR 3192
 - e. Term V NUR 4130
 - f. Term VI NUR 4150; NUR 3250
 - g. Term VII NUR 4120; NUR 4180; NUR 3175
3. All students are required to take the NLN assessments attached to the course. Students who are absent on the day of the scheduled NLN will have a makeup day scheduled the week after final examinations.
