Between 10-13-08 to 10-14-08 there have been five (5):

### thefts of catalytic converters from Toyota 4-Runner

vehicles which have occurred on the Main Campus of Nova Southeastern University at the following locations:

- HPD Parking Garage
- ASLRITC Parking Garage
- Family Center Village- A: Parking Lot
- Open surface lots by Mailman Hollywood, ASA, and UCC Buildings

**DO NOT** approach any suspicious person. If you suspect any criminal activity is taking place call **911** and **NOVALERT (954-262-8999)** immediately.

NSU Public Safety advises all NSU members to be alert for individuals working underneath any parked vehicle in any parking lot, parking garage or along any roadway. This type of offense may appear as an innocent motorist working on a disabled or parked vehicle.

NSU Public Safety is asking for your help by calling **NOVALERT** at **954-262-8999** to report any individual who appears to be working on any parked vehicle, particularly under the vehicle.

- If you believe that you may have witnessed this type of activity occurring on campus please notify the Public Safety Department immediately to report your observations.
