Authorization to Apply Title IV Federal Financial Aid Funds

Students who receive Title IV funds as part of their financial aid package should complete this form which will authorize the Office of Student Financial Assistance to apply current year available Title IV funds to current year non-institutional charges.

**Title IV funds include the following:** Federal Direct Loans (Subsidized, Unsubsidized, Parent PLUS, and Grad PLUS), Perkins Loan, Federal Pell Grant, Federal Supplemental Educational Opportunity Grant (FSEOG), and Teacher Education Assistance for College and Higher Education (TEACH) Grant.

Nova Southeastern University (NSU) will primarily use a student’s Title IV funds to credit a student’s account for institutional charges such as tuition, fees, and room and board (if the student contracts with the school). NSU may also apply a student’s Title IV federal financial aid funds toward non-institutional charges if NSU obtains authorization from the student. Non-institutional charges may include application fees, campus card replacement fees, transcript fees, and late fees.

Submit this completed and signed authorization form to the Office of Student Financial Assistance.
