

Exchange Mobile Device Setup for NSU Law Users

As shown on an iPad, please note these directions will be similar on iPhones, iPods, and other mobile devices.

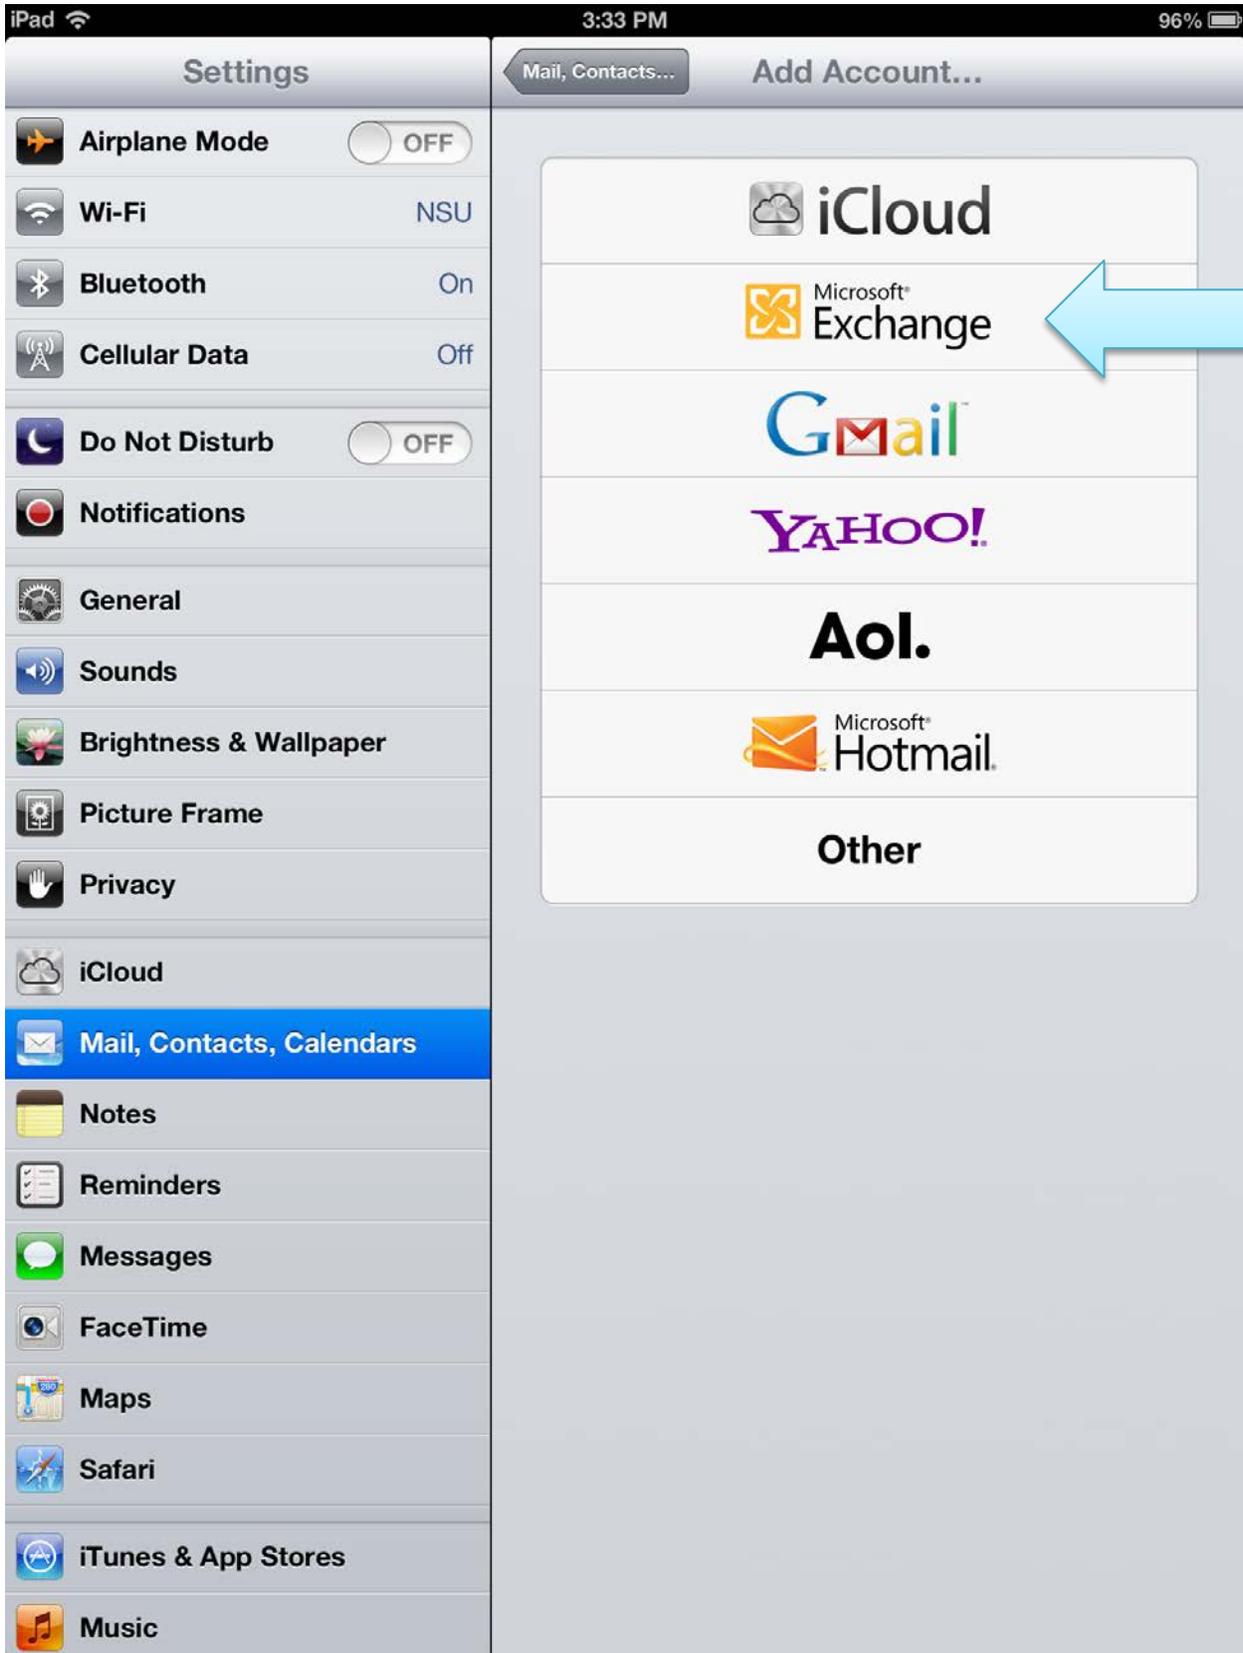

Select the "Settings" Icon

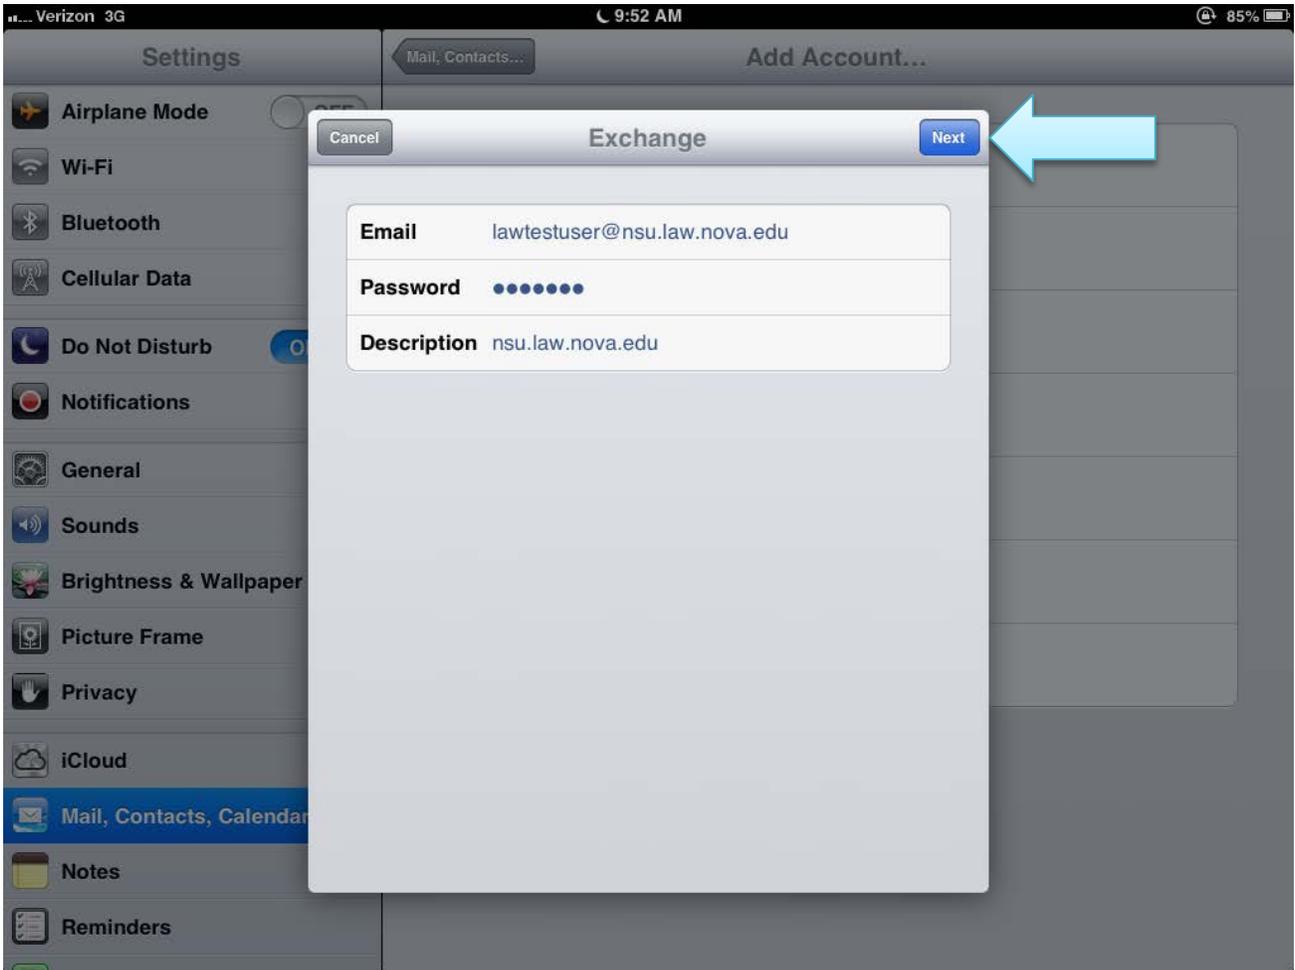

Select "Mail, Contacts, Calendars", then select "Add Account..."

Select Microsoft Exchange

Enter your email address and password, then select "Next"

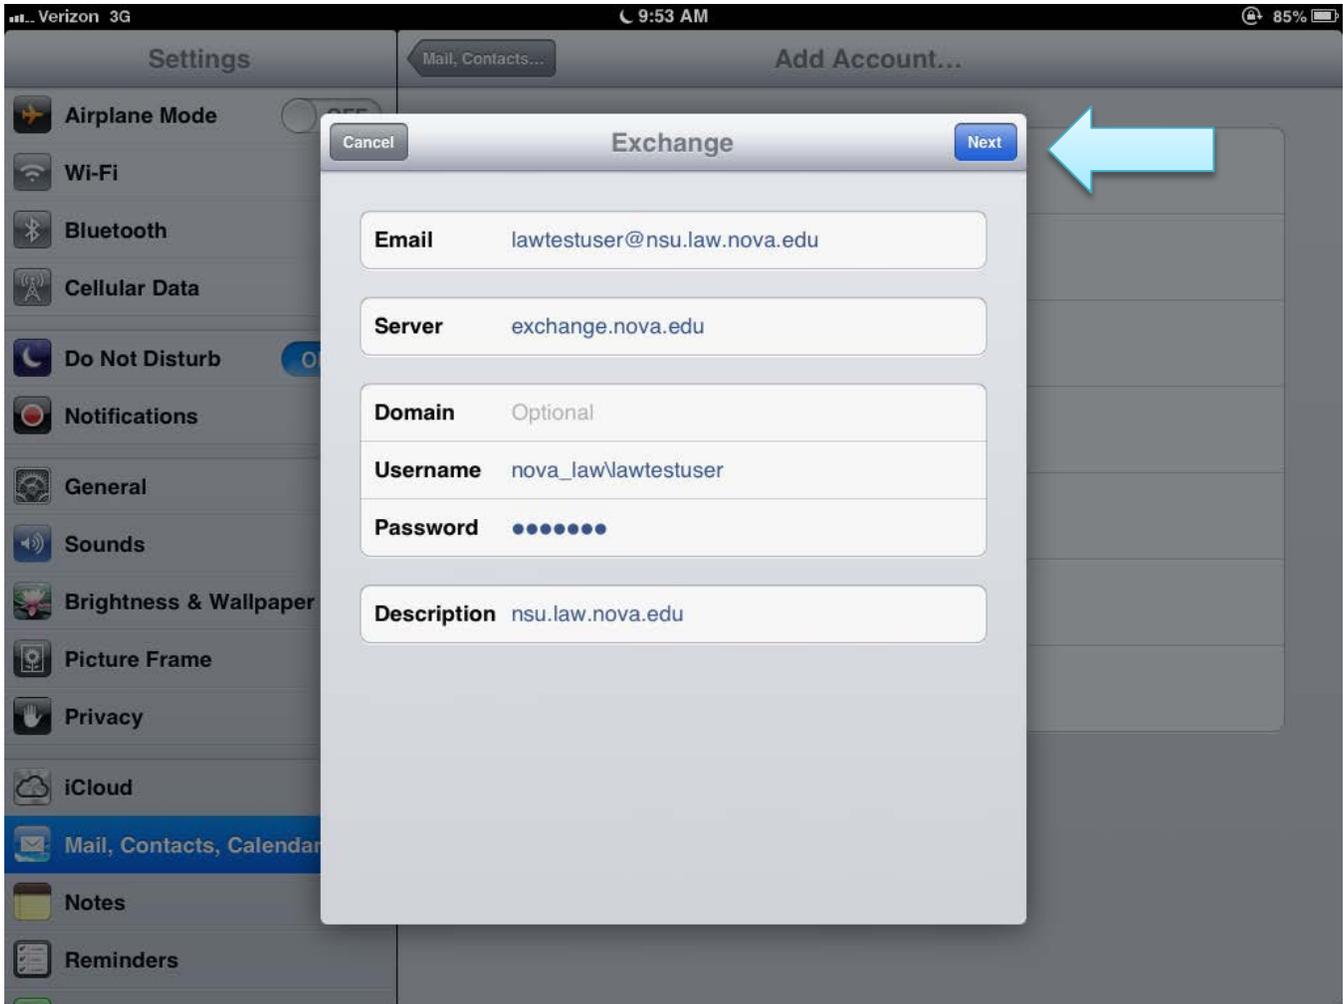

You will be asked for additional information:

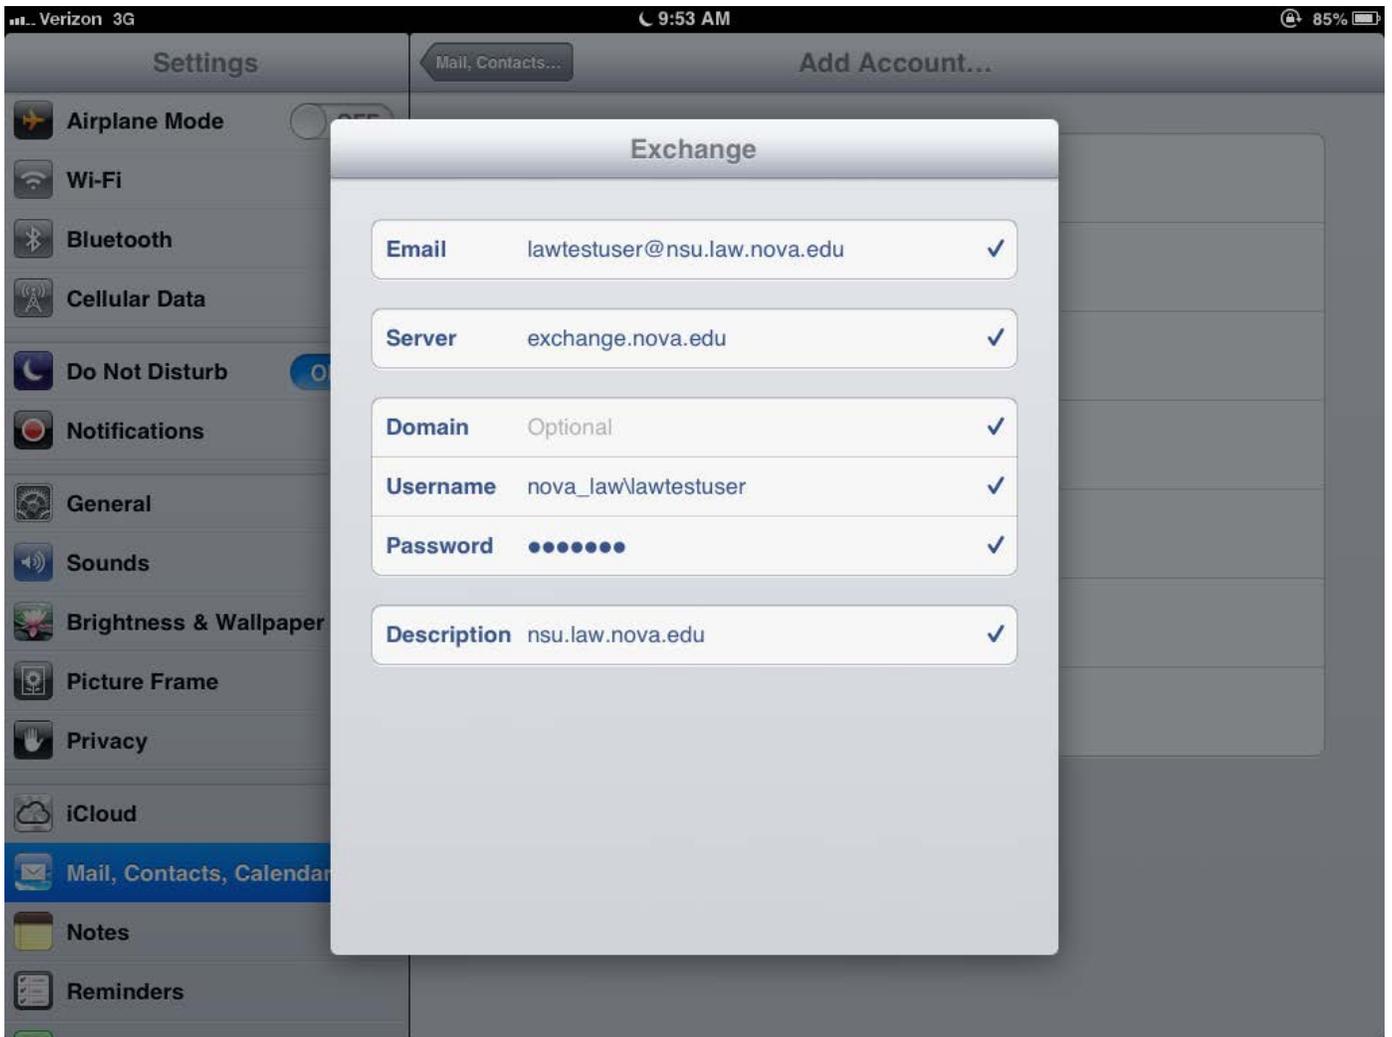

For Server, enter: exchange.nova.edu

For Username, enter: nova_law\username

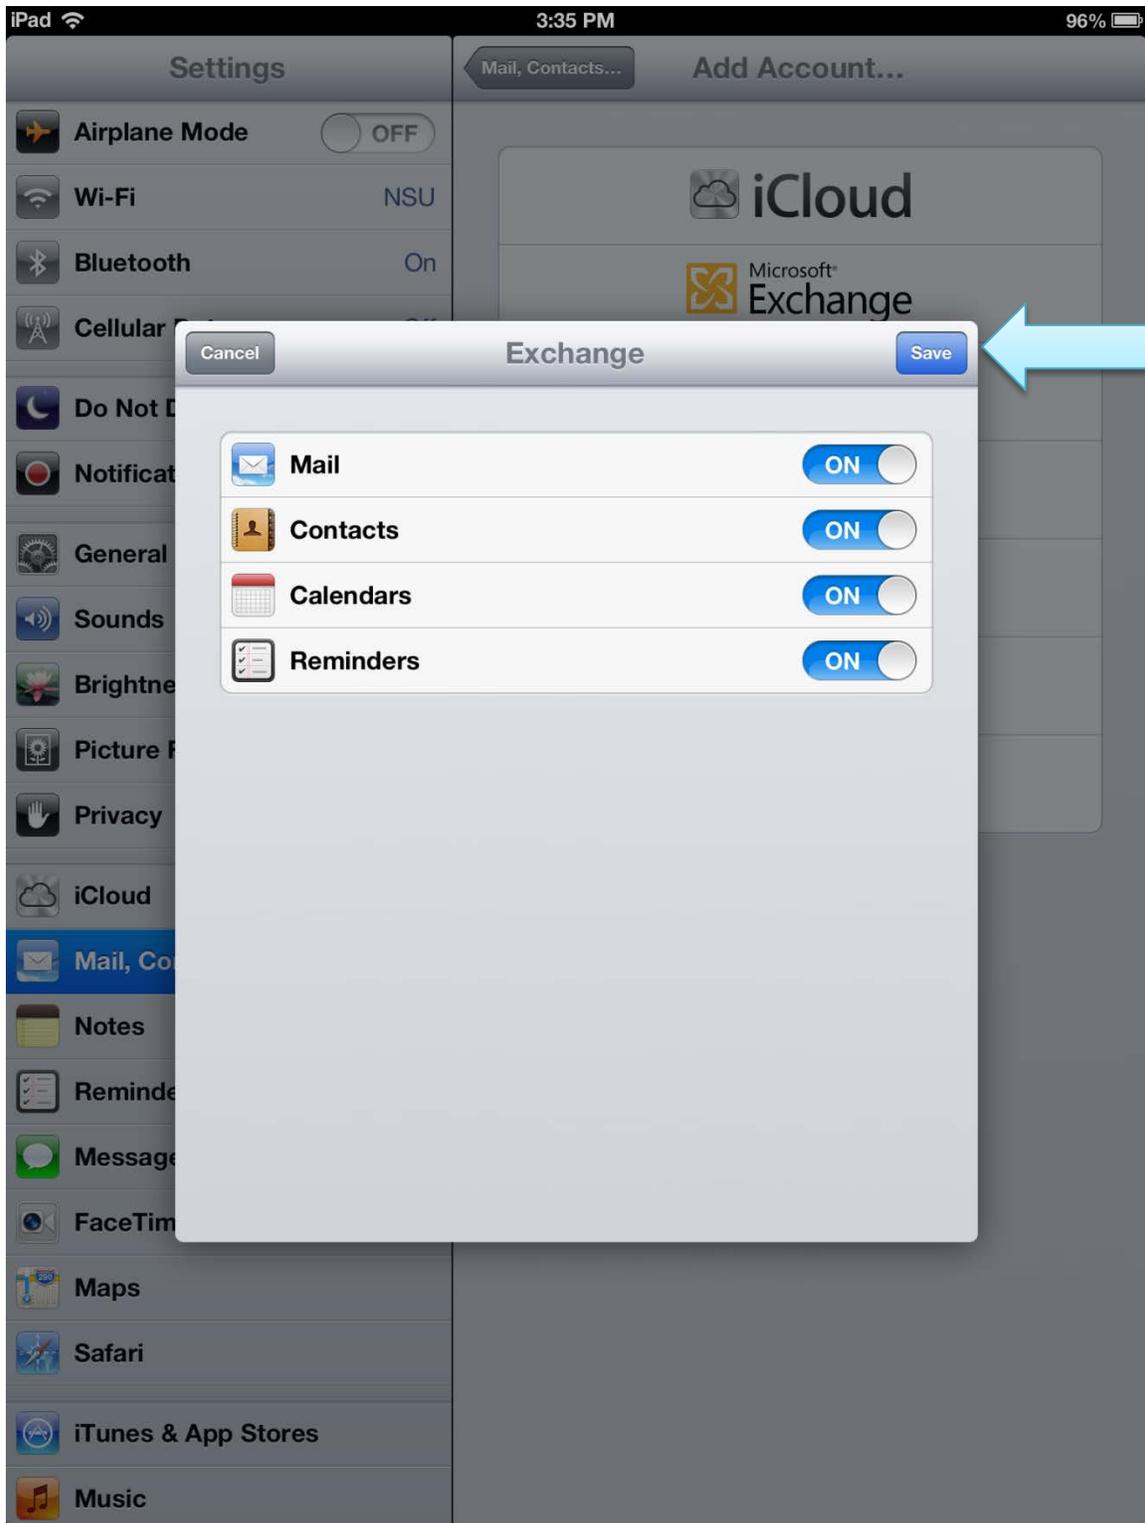

Once this information is entered, select "Next".

If the configuration is successful, you should see check boxes next to the fields:

At this point, you can select what features you would like to sync on your device. Click "Save" to finish the process.

The Exchange account will now be added to "Mail, Contacts, Calendars"

You can begin accessing your Exchange account now by selecting "Mail".
