SharkMedia Access

Select SharkMedia from My Applications (or AppCentral from top navigation bar)

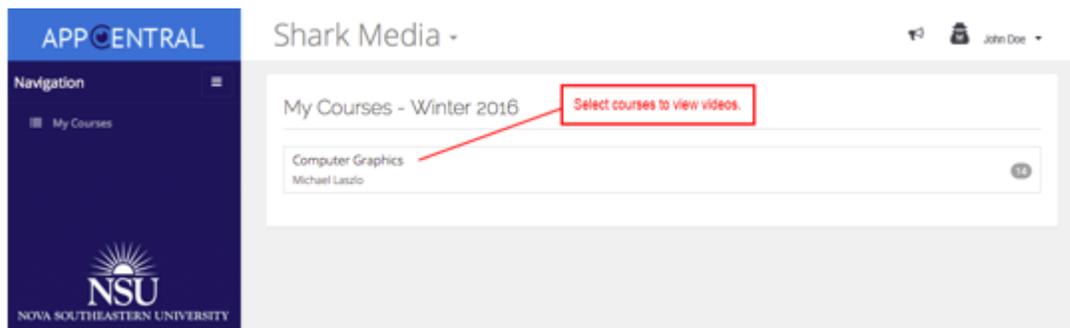

My Courses

My Courses displays only the **current** semester courses

Each course will display the total number of videos

- If no videos exist: "there are no videos for this course" will be displayed

Click Course Name/Instructor to go to the Content List Screen

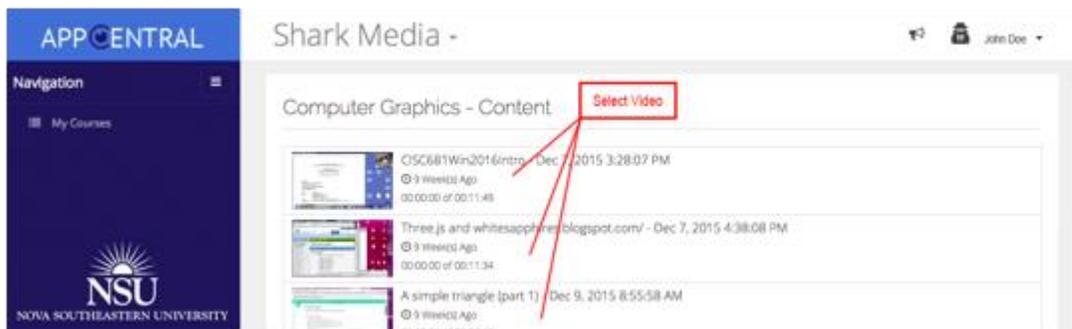

Content List Screen

Course videos displays: video name, date, duration, and age of the video.

Select a row to access the video screen.

Return to list of courses by selecting **My Courses** on the left navigation bar.

Video Screen

Video screen features:

- play
- mute
- see closed caption
- playback speed
- download videos
- download attachments
- addition of note, comments and reply to comments

Also permits full screen, share and more info (details)

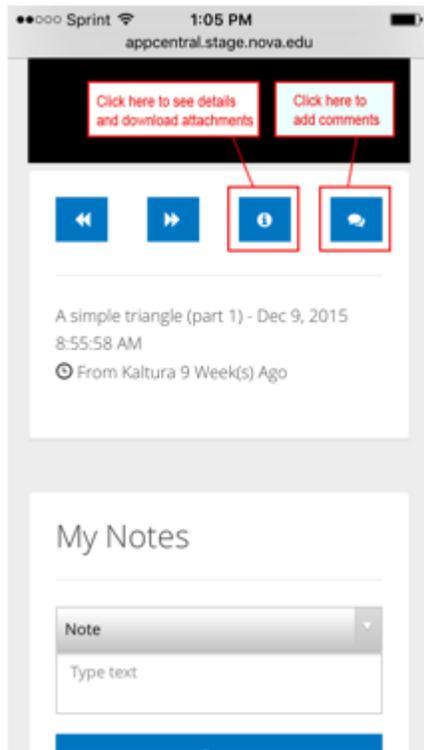

The screenshot shows the video player interface. On the left is a dark blue navigation sidebar with the 'NSU' logo at the bottom. A red box highlights the 'My Courses' link, with a callout: 'Click here to go back to My Courses.' The main video area shows a video player with a play button and a progress bar. A red box highlights the 'Rewind 30s' and 'Forward 30s' buttons, with a callout: 'Go back 30 seconds or skip ahead 30 seconds'. Below the video player are 'Details' and 'Download' buttons. A red box highlights the 'Details' button, with a callout: 'Click Details for more info, or click download to download attachments.' On the right is a 'My Notes' panel with a 'Note' input field, a 'Save' button, and a list of notes with timestamps. A red box highlights the 'Save' button and the notes list, with a callout: 'Add note or question, then type in text, and select save. Filter by notes and questions. Notes in Green. Questions in Red.'

The screenshot shows the video player interface. The video player is at the top, with 'Rewind 30s' and 'Forward 30s' buttons. Below the video player are 'Details' and 'Download' buttons. A red box highlights the 'Details' button, with a callout: 'Click Details for more info, or click download to download attachments.' Below the video player is an 'Attachments' table with columns for Name, Title, Size, and Actions. A red box highlights the 'Download' button in the Actions column, with a callout: 'Click Details for more info, or click download to download attachments.' Below the attachments is a 'Public Comments' section with an 'Add a Comment' input field and a 'Save Comment' button. A red box highlights the 'Save Comment' button, with a callout: 'Add and save comments. Viewable by all.' Below the comments is a list of comments, with a red box highlighting the 'Add and save comments. Viewable by all.' callout.

Tablet and Mobile Devices Display

Video screens displays appear differently on tablet and phone.

All functions in AppCentral – SharkMedia are available in your mobile devices. See below.
