

**Invitation to a briefing and feedback session for the Program for Hurricane Intensity
Forecast Improvements and Impacts Projections (HiFi)**

Clemons Room, Lod Cook Hotel, Cook Conference Center & Hotel
Louisiana State University
Friday 3 November 2005

The briefing will provide an update on the science strategy plan that has been developed following input from a recent expert meeting in Houston, and on future meetings aimed at developing strategies for long term projections (NCAR, November) and for impacts (LANL and NCAR, February).

This meeting is also being conducted by teleconference for those who cannot make the trip. Please contact Bonnie Slagel (bonnie@ucar.edu or 303-497-8318) to organize if required. Please also coordinate accommodation requirements through Tom Gustafson (tgiscis@aol.com or 954-661-7848).
