**Notes:**

Regular student registration will occur only during the registration window listed. This schedule applies to OT (OCT) doctoral courses. HPH courses will have the same term dates but may be fully online and have no mid session. Starting in 2008, the new academic year starts in the fall term.

For faculty. All class assignments, tests, and other course requirements are due NLT the last class session or NLT the end of the term's 16<sup>th</sup> week. E.g. in the case of shortened terms (e.g. less than 16 weeks because of the one-week SRI), assignments may be due at the end of the 16<sup>th</sup> week. There are 16 sessions in a term, and 100% online courses are held for 16 weeks (or 1 session = 1 week). Each 3-hour on-campus session is equal to one online week. Each Mid-session weekend will have two 3-hour sessions per OCT course, equivalent to 2 weeks of online sessions. The SRI week will have five 3-hour sessions.
