Am I required to have health insurance coverage?

NSU Health Professions Division students, full-time undergraduate PAL (Day) students, international students holding a J1 visa, and residential housing students are required to provide proof of current health insurance coverage. All other NSU students may elect to have health insurance coverage on a voluntary basis and are not required to provide proof of coverage.

How do I show proof of my current health insurance coverage?

The ONLY way to provide proof of current health insurance coverage is to complete the ON-LINE health insurance waiver form, no paper waivers are accepted. This form can be accessed on the NSU website at www.nova.edu/insurancewaiver. The ON-LINE waiver form is available only during the posted waiver period. Students MUST COMPLETE THE WAIVER WITHIN THE FIRST THIRTY (30) DAYS FROM THE BEGINNING OF THE PERIOD IN WHICH THE STUDENT HAS ENROLLED. IF THE WAIVER IS NOT COMPLETED WITHIN THE FIRST THIRTY (30) DAYS OF ENROLLMENT, THE FEES AND COVERAGE WILL REMAIN.

What if I register after the waiver deadline?

If you or the program registers you after the waiver deadline has passed, you will have 48 to 72 hours to complete the waiver at that time. You will not be able to complete the waiver the same day you register because it has to upload into the system, only within the 48 to 72 hours given.
**What information do I need to provide current proof of health insurance coverage?**

The waiver requires a current NSU email address and the current insurance information (company name, policy name, policy number, address and phone number of the company). All of this information can typically be found on your insurance card.

In addition, you are asked to testify to the following criteria about your current insurance policy:

- Maximum plan benefit of at least $500,000 per incident.
- Insurance that is accepted in the State of Florida and/or at the NSU Health Clinic.
- Coverage will be in effect for the entire academic year.
- Your policy is not an international policy or sickness/injury policy only.
