Guide to using NovaCat

NovaCat is the integrated online library catalog. It includes books, journals/magazines, and non-print materials in all of the Nova Southeastern University Libraries, as well as links to electronic resources.

Go to the NovaCat website from either the HPD Library homepage, the NSU homepage, or academic program’s homepage. Select Search the Library Catalog (NovaCat).

TO RENEW BOOKS ONLINE:

- From the NovaCat webpage, select View Your Circulation Record.
- Enter your last name and your NSU ID number (9 digit number).
- Follow the instructions on the screen.
- Items may not renew if they are overdue, if there is a hold on the book, or if you have already renewed them twice.
- Call the HPD Library Circulation Desk (262-3106) if you need help.
