Whether your intention is for **FUN**, **FITNESS**, or future **PERFORMING**, you will be introduced to a new world of thinking and moving with Belly Dance. Learn to dance. Meet new friends. Laugh, exercise, and make memories.

Join our **six-week introductory Belly Dance program** and expose yourself to the proper execution and technique of movements such as slides, circles, figure eights, shimmies, pops and locks, undulations and hip work. You will also be introduced to arm and foot positions, counting music, basic combinations, and cultural and musical understandings of Egyptian/Oriental Dance and get the opportunity to learn choreography.
