Educational Media
(Educational Specialist Degree)

Taking life-long learning to a higher level...

Are you enjoying your career in educational media? Would you like the chance to expand your skills and leadership opportunities in educational media? Consider joining the Graduate Teacher Education Program's educational specialist (Ed.S.) program in educational media.

Courses in this Ed.S. program are designed to support you as you seek National Board Certification. Instruction is offered exclusively online in WebCT so that you, the busy professional, will have greater flexibility with the time and location of your studies. This means that you can participate in this degree program from anywhere in the United States or world, wherever you can find an online connection. Students who maintain continuous registration can complete this degree in approximately 12 months or so.

Estimated costs: $13,100 (Tuition, 36 credit hours x $325 per credit hour; fees, $400; and books, $1,000.)

Begin during any of our regular sessions.
