

NSU Parking and Motorist Policy Acknowledgment

As an employee of Nova Southeastern University (NSU), I acknowledge that I am responsible for complying with all NSU parking and motorist policies, including vehicle registration, parking regulations, and payment of any fines or fees assessed for violations.

By signing below, I confirm that:

1. I have read and understand NSU's parking policies as outlined in the NSU Employee Policy Manual and on the NSU Parking Portal.
2. I am responsible for ensuring my vehicle is properly registered with NSU Parking Services if I intend to park on campus.
3. I am personally responsible for paying any parking citations or fines I may accrue while operating or parking a vehicle on NSU property.
4. Failure to pay fines may result in additional enforcement actions, including but not limited to payroll deduction (where permissible), vehicle immobilization or towing, suspension of parking privileges, or referral to a collections agency.
5. It is my responsibility to stay informed of any changes to NSU parking policies, which are available on the NSU website.

I acknowledge that compliance with NSU's parking and motorist policies is a condition of my employment and that failure to adhere to these policies may result in corrective action.
