

VETERANS EDUCATIONAL BENEFITS

Before You Apply

The U.S. Department of Veterans Affairs (VA) requires each applicant utilizing their VA educational benefits to be formally accepted into an approved curriculum (program of study) before initial certification of attendance can be sent to the VA.

Application Process

1. Complete the U.S. Department of Veterans Affairs' Veterans On-Line Application (VONAPP) at <http://vabenefits.vba.va.gov>. Eligible students will receive a Certificate of Eligibility (COE).
2. Submit copies of the COE and the Certificate of Release or Discharge from Active Duty (Form DD-214) to NSU via fax to (954) 262-3966. To determine which forms and documents you need to submit, view the matrix at www.nova.edu/financialaid/veterans/forms/matrix.pdf.
3. Veterans are responsible for ensuring that all requirements for admission to their VA-approved NSU academic program have been met. To ensure this, veterans can contact their academic college, school, or center.
4. The NSU Veteran Certifying Official will send an electronic enrollment certification to the Department of Veteran Affairs once a student's forms have been received and enrollment into courses at NSU has been confirmed. Veterans will receive confirmation via email from NSU once the enrollment certification has been sent.
5. Veterans will receive award letters from the U.S. Department of Veterans Affairs once their eligibility has been certified.
