Dear Melissa:

The Office of Transfer Evaluation Services has reviewed the academic credentials from your prior institution(s) and is pleased to provide you with an analysis of courses that can be transferred to NSU.

Enclosed is the Course Evaluation Report which lists the courses you have taken at other institution(s) and their corresponding NSU equivalency. A course will not be listed if it was: a) repeated; b) below the acceptable transfer grade; or c) was listed on your official transcript as "in progress". If you have any "in progress" courses, you must send the final official transcript when you have completed the course(s). A transfer course reevaluation will be completed at that time and you will receive another notification.

Please be aware that not all transferable courses may apply to your intended major. Only courses applicable to your major count towards the determination of your student year in college and could have an impact on your financial aid. To determine how courses apply to your major, you can obtain a Curriculum Advising and Program Planning (CAPP) Degree Evaluation Report, which compares your completed coursework with the degree requirements that are published in the college catalog. Instructions on how you can run a CAPP Degree Evaluation Report can be found on our Registrar's website: www.nova.edu/capp.

Please note: if your transcript included Advanced Placement (AP) or College-Level Examination Program (CLEP) scores, we must receive the official scores directly from the College Board before an evaluation of possible NSU equivalencies can be made.

We hope this information will help with your transition to NSU. We encourage you to contact your academic advisor who can assist you in planning your academic career at NSU.

If your transcript included Advanced Placement (AP) or College-Level Examination Program (CLEP) scores, we must receive the official scores directly from the College Board before an evaluation of possible NSU equivalencies can be made.

All final official transcripts must be submitted in order to be fully admitted to NSU. If you previously submitted unofficial transcripts or official transcripts with coursework "in progress" a final comparison of your coursework that has been applied to your academic record will be completed. If there are no changes, this letter serves as your final notification. You will only receive a new letter if there are changes.

Please contact your academic advisor for assistance with planning your academic career at NSU.
