NOVA SOUTHEASTERN UNIVERSITY TRANSFER INFORMATION

Welcome to Nova Southeastern University's Transfer Credit System. This interactive tool will allow you to view and create an unofficial equivalency review of credits earned at current and/or prior institutions and their respective NSU equivalencies. Please note, however, that although a course may be transferrable to the institution it is not a guarantee that it will satisfy your specific degree requirements. Additionally, some courses and/or institutions may not appear on this list, but may be eligible for transfer. If you have attended a regionally-accredited institution and are unable to locate a course equivalency, please email us at esstes@nova.edu. We will gladly review your request. The information in this tool is subject to frequent revision, as we continually add new institutions and course equivalencies.

For further information on how to locate course equivalencies and create an unofficial equivalency review, please see [Understanding the Transfer Credit System](#).

Upon acceptance to Nova Southeastern University and receipt of final official transcripts, Transfer Evaluation Services will send an official letter identifying the courses which are transferrable to the university.

Dear

The Office of Transfer Evaluation Services has reviewed the academic credentials from your prior institution(s) and is pleased to provide you with an analysis of courses that can be transferred to NSU.

Enclosed is the Course Evaluation Report which lists the courses you have taken at other institution(s) and their corresponding NSU equivalency. A course will not be listed if it was: a) repeated; b) below the acceptable transfer grade; or c) was listed on your official transcript as "in progress". If you have any "in progress" courses, you must send the final official transcript when you have completed the course(s). A transfer course reevaluation will be completed at that time and you will receive another notification.

Please be aware that not all transferable courses may apply to your intended major. Only courses applicable to your major count towards the determination of your student year in college and could have an impact on your financial aid. To determine how courses apply to your major, you can obtain a Curriculum Advising and Program Planning (CAPP) Degree Evaluation Report, which compares your completed coursework with the degree requirements that are published in the college catalog. Instructions on how you can run a CAPP Degree Evaluation Report can be found on our Registrar's website: www.nova.edu/capp.

Please note: if your transcript included Advanced Placement (AP) or College-Level Examination Program (CLEP) scores, we must receive the official scores directly from the College Board before an evaluation of possible NSU equivalencies can be made.

We hope this information will help with your transition to NSU. We encourage you to contact your academic advisor who can assist you in planning your academic career at NSU.
