Institutional FTE Calculation for the M.S. in Counseling Program

Full-Time Graduate Student FTE Calculations
Under this policy, a full-time graduate student in the M.S. in Counseling program is defined by the number of courses taken within a semester and demonstrated in the table below[1].

Courses Completed in a Semester	FTE Value
1 Course	0.25 FTE
2 Courses	0.50 FTE
3 Courses	0.75 FTE
4 Courses	1.00 FTE

[1] These calculations are intended for institutional reporting and planning purposes and do not supersede any separate definitions of full-time enrollment that may be established for financial aid eligibility, immigration compliance, student employment, veteran benefits, or other federal, state, or program-specific requirements.
