Shark Fins: https://sharkfins.nova.edu/ is a website that centralizes many of the events going on around campus.
The office of Recreation and Wellness is excited to announce the following opportunities to learn and enjoy scuba diving this fall semester!

**Scuba Refresher** - Offered Friday, August 23rd and Thursday, August 27th; 7:00 p.m.

The Scuba Refresher is a fun and easy way to review dive theory and practice dive skills after a period of inactivity. The course includes one classroom session and one pool session. Join our pre-scheduled class or contact us to set up your own private scuba review. This is not a certification course. We provide ALL equipment needed.

**Discover Scuba** - Offered Friday, August 30th or September 7th; 7:00 p.m.

The PADI Discover Scuba experience is a fun and exciting way to try scuba diving and to see what it is like to breathe underwater. No prior scuba diving experience is necessary, but you do need to be in good physical health. This is not a certification course. This class is FREE for NSU students, faculty, staff and alumni.

**Open Water Diver** - Offered Wednesday nights, August 28th - October 2nd, 7p.m.

This is the entry-level beginning scuba diver course. PADI Open Water Diver certification is issued upon successful completion of the course.

**Advanced Open Water Diver** - Offered Thursday nights, September 12th - September 26th, 7 p.m.

This is the second-level scuba diver course. PADI Advanced Open Water Diver certification is issued upon successful completion of the course.

**Divemaster** - Offered Friday nights, August 23, 30; September 13, 27; October 11, 25; November 1, 15, and 22

Divemaster candidates will learn the knowledge and skills necessary to transition from a recreational diver to a dive professional. Instructor-level academic knowledge will be developed in diving physics, physiology, decompression, equipment, and environment. Pool training includes perfecting skills to a level of “demonstration quality” for open water skills, rescue, navigation, and problem solving.

For more information and to register, please contact Bill Conrad, wconradi@nova.edu. We look forward to seeing you in the water!!!!

CREATIVITY EXPLORATION
Knots and Knowledge
Saturday, September 14, Noon - 1:30 PM

Learn about the traditional methods of shibori dyeing and make your own work of art infusing your own wisdom into the ne-maki shibori style.

Creativity Exploration adult workshops promote the benefits of creative exploration and the mind-to-body experience. Studies have shown that 45 minutes of creative activity a day reduces stress and offers mental clarity and relaxation. In addition to producing a sense of well-being, sessions expand participants' perceptions of forms, while increasing brain connectivity through visual and cognitive stimulation. The workshop is led by educator Lark Keeler, a specialist in mindfulness education.

Creativity Exploration is sponsored by the Charles P. Ferro Foundation.

Limited space. Advance reservations required. $10 museum members; $15 non-members. [RSVP HERE]
ALL ADVENTURES BEGIN AT THE
SHARKS ABROAD FAIR

Tuesday, September 17, 2019
11:30 a.m.-1:30 p.m.

</tr>
</tbody>
</table>
**Time:**  Friday, Sep. 20, 2019, 12:05-12:55pm  

**Place:**  Parker Building, Room 301  

**Speaker:**  Fuzhen Zhang, Professor of Mathematics  
Nova Southeastern University  

**Title:**  Eigenvalue inequalities of matrix product  

**Abstract:**  Given two n-by-n complex matrices, one is Hermitian and one is positive semidefinite, all of the n eigenvalues (counting multiplicities) of the product of the given matrices are necessarily real. Selecting any k of the n eigenvalues, we present lower and upper bounds for the sum of these k
selected eigenvalues. Our results extend and complement the existing ones.

This is a joint work with Dr. Bo-Yan Xi.
