A. COMPETITIVE PRIORITIES

1. Collaborative Project: The proposal demonstrates a high level of collaboration and clearly outlines the role of collaborators and their contributions to the project. If the collaboration is external, an letter is provided that addresses essential components.

2. Student Involvement: The proposal demonstrates significant involvement by the students in the proposed research; students will be involved at the author level by participating in production of a paper, poster, or presentation.
Once completed, the PFRDG Reviewer Score Sheet is accessible here.
PFRDG Panel Chair
SharePoint Instructions
