Dr. Pallavi Patel College of Health Care Sciences**

<b>Degree Title</b>	<b>Level</b>	<b>Degree</b>
<b>Anesthesia</b>	<b>Master</b>	<b>M.S.</b>

**Professional Licensure Disclosure Statement:** The Nova Southeastern University, Dr. Pallavi Patel College of Health Care Sciences, Department of Anesthesia includes two programs of study independently accredited by the Accreditation Review Commission for Anesthesiologists Assistant (ARC-AA). Graduation from an ARC-AA accredited anesthesiologist assistant training program allows graduates to sit for the national certifying examination offered by the National Commission on Certification for Anesthesiologist Assistants (NCCAA). It also meets the educational degree completion requirement for licensure in all 50 states as well as federal agencies. Students should note that requirements for professional licensure could vary drastically by state. Because these requirements can change frequently and often without notice, it is strongly encouraged, and is the responsibility of the student, to ensure the degree they earn will meet requirements for licensure in the state in which they seek licensure. The Dr. Pallavi Patel College of Health Care Sciences cannot confirm whether its MS degree in Anesthesia meets all of the licensure requirements in a student’s state of residence and they should refer to their state licensing body for further information. For licensing board contact information and approval status, please refer to the information at: <http://www.anesthetist.org/>

<b>Cardiovascular Sonography</b>	<b>Bachelor</b>	<b>B.S.</b>
----------------------------------	-----------------	-------------

**Professional Licensure Disclosure Statement:** Nova Southeastern University, Dr. Pallavi Patel College of Health Care Sciences, Cardiovascular Sonography Program is a Commission for the Accreditation of Allied Health Education Programs (CAAHEP) accredited program of study. Graduation from a CAAHEP accredited program of sonography education allows for the graduate to be eligible to apply for professional registry/credentialing examinations from the American Registry for Diagnostic Medical Sonography (ARDMS see <http://www.ardms.org/Pages/default.aspx> ), or Cardiovascular Credentialing International (CCI see <http://www.cci-online.org/> ), internationally recognized professional credentialing bodies providing registry examinations in sonography specialties.

As of November, 2017 four States require state licensure to practice the medical profession of sonography: New Hampshire, New Mexico, Oregon, and North Dakota. Currently all four of these States recognize the professional sonography credentials provided by the passing of the registry/credentialing exams as provided by the ARDMS, CCI, or other organizations as satisfying their State licensure requirements. However, students should note that requirements for state professional licensure are subject to change frequently and often without notice, and may vary
