When you give to change a life, yours will never be the same.

Helping talented students benefit from the NSU experience is one of the most meaningful ways to give to NSU. For an annual gift of \$1,000 committed for five years, you can establish a *Changing Lives Scholarship* in your name, or in honor/memory of a loved one, friend, mentor or your family.

You can designate your scholarship to be awarded by a specific college, school, center or athletics. Or you can choose for it to be distributed wherever the need is greatest. Your named *Changing Lives Scholarship* will benefit academically talented students for whom financial assistance will make a difference in being able to attend NSU. (For each year you contribute to your scholarship, you will also be recognized as a President's Associate.)

Changing Lives Scholarships Guidelines

Letters will be sent to CLS donors notifying them of the name(s) of student(s) to whom their scholarship has been awarded.

To qualify, a student must be a full-time NSU student in good academic standing with demonstrated financial need and complete the required application. Scholarship recipients will be selected by Enrollment and Student Services (ESS) for undergraduate students, or a scholarship committee at each school for graduate students.

A student may receive annual Changing Lives Scholarships (CLS) for no more than four academic years (unless they are advancing from undergraduate to graduate programs). A student may be awarded more than one CLS at the same time. The total of awards from CLS awarded to a student annually shall be a minimum of \$1,000; a maximum of \$10,000.
