Authorization

- Set up new authorization**
- Update existing authorization**
(Your **new information** will overwrite previous information on file. Do not cancel your direct deposit authorization, unless you want to receive future refund(s) as a check.)

I authorize NSU to electronically deposit my refund(s) into my bank account. If a refund(s) is deposited, to which I am not entitled, I authorize the electronic return or adjustment by NSU. This authorization remains in effect until NSU receives written cancellation from me. Funds are generally available within 2-3 business days. It is my responsibility to verify funds are available at my bank before making any transactions.

Cancellation

- I request that NSU cancel my existing direct deposit authorization on file.**

I authorize NSU to issue future refunds to me by check sent via U.S. Postal Service. I understand that I may submit a new Direct Deposit Authorization at any time to reinstate automatic deposit of refunds.

I understand that refunds deposited into my account before this cancellation is processed may either be accepted or returned to NSU by my bank. I understand that funds returned to NSU will be reissued to me within 3-5 business days. It is my responsibility to contact my bank to obtain funds not returned to NSU.

By signing this form, I confirm that I have elected my funds to be direct deposited to a domestic U.S. financial institution and that the direct deposit will not be part of a back-to-back transaction with a foreign institution. I understand that in order to process my refund, whether by direct deposit or by check, my preferred mailing address must be current and active. To view/update your mailing address, log in to your secure SharkLink account at <http://sharklink.nova.edu> and click on the green WebSTAR tile in the application slider bar. Select "Personal Information" and "View/Update Address(es) and Phone(s)."
