TIP

An email is sent in the middle of each month alerting you that your NSU eBill statement is ready. You may designate another person to receive the alert and make payments to your account in NSU eBill.

DEFINITIONS

ACCOUNT

A record of charges and credits. Your NSU account can include tuition and fees, room and board, financial aid credit, and more.

Did You Know? Payment is due in full at the time of registration. If you plan to live on campus, account balances must be paid prior to check-in.

Contact an Enrollment and Student Services (ESS) representative prior to check-in date for payment or help completing outstanding financial aid requirements at (954) 262-5200 or (954) 262-3380.

ACCOUNT HOLDS

A mechanism that freezes student services, including, but not limited to, campus residence hall check-in, future registration, and use of the NSU RecPlex. Holds remain on your NSU account until the balance is paid in full. Holds can also impact your ability to access transcripts and receive your diploma.

Tip: If you mail in a personal check payment while there is an account hold, the hold will remain for 10 business days allowing for bank clearance.

BURSAR

A person who manages the financial affairs of a college or university.

COLLECTIONS

Accounts that are not kept current are turned over to the collections department for handling. This includes accounts with past due balances older than 90 days from the start of a semester/term. Visit nova.edu/bursar/billing/collections for more information.

NSU eBILL

Reflects your student account activity and allows you to set up authorized users and payment plans.

LATE FEE

Applied to any account that has a balance at 30 days after the semester start. The current late fee is \$100.

PAYMENT PLAN

A voluntary, online payment plan option for students who need a little extra time to pay their account balance. Enrollment is available to eligible students via nova.edu/nsuebill before the start of the semester/term. For plan details and eligibility requirements, visit nova.edu/bursar/payment/payment_plans.

PAYMENT POLICY

By registering for courses at NSU, a student accepts financial responsibility for paying the full account balance plus any additional costs incurred by the university in the collection of these debts.

REFUNDS (Financial Aid and Tuition)

If the total amount of financial aid for the semester exceeds account charges, you may receive a financial aid refund. To receive refunds to your bank account, sign up for direct deposit. Otherwise, refunds are mailed to the preferred mailing address, if indicated, or the permanent mailing address on your student profile. Tuition refunds may be issued based on the time of withdrawal from classes. Savvy Sharks refer to their program's catalog for withdrawal and tuition refund policies.

Tip: You must have a valid address in SharkLink to receive any refund. To sign up for direct deposit, visit nova.edu/bursar/refunds/direct_delivery.html.

AUTHORIZATION FOR RELEASE OF INFORMATION (ROI)

If your parent, guardian, or another person will be assisting you with your account management or will be making payments on your behalf, NSU requires you to submit a completed ROI, available on the bursar's forms website.

STUDENT ENROLLMENT AGREEMENT (SEA)

Your SEA outlines university policies on course registration and financial responsibilities and must be completed each calendar year as part of the registration process.

STUDENT HEALTH INSURANCE

Student health insurance is managed through the bursar's office. For assistance regarding student health insurance fees, waivers, waiver reversals, election inquiries, and other questions, please call (954) 262-4060, email studenthealth@nova.edu, or visit nova.edu/studentinsurance. Students are automatically enrolled in the university's health insurance plan with course registration, and must submit a waiver application each academic year, if they have comparable insurance coverage.

THIRD-PARTY BILLING

NSU accepts and bills third parties like the Florida Prepaid College Plan for tuition, fees, and on-campus housing costs. The difference between costs and plan allocations is the responsibility of the student. For details, visit nova.edu/bursar/payment/third_party_billing.

TAX INFORMATION

Colleges and universities use Internal Revenue Service (IRS) Form 1098-T to report information posted to a student's account as required by the Taxpayer Relief Act of 1997. The reported information (including payments for tuition, fees, scholarships, and grants) is used to determine eligibility for educational tax credits such as the American Opportunity Credit. Review Publication 970 at irs.gov for more information on educational tax benefits.

Tip: Visit nova.edu/bursar/tax1098.html to sign up for electronic delivery of your Form 1098-T.

Colleges and universities are also required to file IRS Form 8300 to report receipt of more than \$10,000 in cash per semester. Students are notified when this form is filed.

Nonresident aliens (NRA) and foreign students attending NSU on an F or J visa, who receive an NSU institutional scholarship, may be subject to NRA withholding. For more information, visit nova.edu/internationalaffairs/students/current/tax.
