

HEALTH INSURANCE REQUIREMENT

NSU takes seriously its responsibility to provide a safe learning environment and is committed to the health and well-being of all enrolled students. Therefore, all NSU students—with the exception of students who reside and take classes outside of the United States—are required to carry adequate health insurance coverage. The university partnered with UnitedHealthcare for the 2024–2025 academic year to provide NSU students with a comprehensive, nationwide policy priced well below comparable plans available through the Affordable Care Act exchange markets in Florida.

NSU STUDENT HEALTH INSURANCE PLAN FEATURES

- Preventive care, women's healthcare, immunizations, both emergency and nonemergency healthcare, mental health benefits, inpatient and outpatient care, and chemical dependency benefits are included.
- You can view and share your ID card and claims, search for providers, and more with UnitedHealthcare's mobile app.
- A three-month continuation option is available after graduation.

YOUR STUDENT HEALTH INSURANCE CHARGES

Once you register for classes, the student health insurance charge will be placed on your Nova Southeastern University (NSU) student account. The NSU Student Health Insurance Department will send an email to your @mysu.nova.edu account to notify you that the charge has been placed.

TO OPT OUT, YOU MUST COMPLETE YOUR WAIVER ANNUALLY.

If you already have health insurance, you must opt out of the NSU Student Health Insurance Plan by the waiver deadline for the period in which you first enroll, based on your program's start date. If your insurance meets NSU's waiver criteria, the waiver will be valid for the remainder of your program's academic year. When a new academic year starts, another email will be sent to alert you that a new student health insurance charge has been placed on your account and that it is time to complete a new waiver. If you keep the NSU Student Health Insurance, you will have an opportunity to opt out of the plan by the next waiver deadline for your program.

WAIVER CRITERIA

Your plan must meet the following criteria to opt out of the NSU Student Health Insurance Plan:

1. The claims administrator of your insurance plan must be based in the United States with a U.S. telephone number and address for submission of claims.
2. The policy is not a traveling policy.
3. The insurance plan provides both emergency and nonemergency healthcare, as well as mental health benefits, within a 25-mile radius of your registered NSU campus or near the place of residence for online registered students. Out-of-state Medicaid, state children's health insurance plans, HMOs, and Kaiser Permanente plans may not cover nonemergency care out of the designated state and will not be sufficient coverage.
4. The plan provides inpatient and outpatient mental healthcare and chemical dependency benefits comparable to the coverage provided by the NSU Student Health Insurance Plan.
5. Coverage for prescription medication is provided.
6. The lifetime benefit is unlimited.

*Only available to students who are only enrolled in the second part of term and have not taken advantage of their insurance benefit during the first part of term.

Submit your waiver online by the deadline for your program at nova.edu/studentinsurance.
