

ORIENTATION PACKING LIST

You've scoured through countless packing lists for college orientation, but that nagging feeling of forgetting something persists, doesn't it? **FEAR NOT, your search ends here!**

Please refer to the following list as you prepare to attend your NSU Student Orientation and get your first glimpse of life at NSU.

Pack breathable and lightweight clothing suitable for hot and humid weather. However, buildings and halls you visit may be cold, so don't forget a light or heavy sweater/jacket.

Florida summers can bring sudden rain showers, so consider bringing a compact umbrella or a rain jacket, just in case.

Bring comfortable shoes for walking around campus, such as sneakers, sandals, or flip-flops.

Don't forget to pack sunscreen with a high SPF to protect your skin from the sun's rays. A wide-brimmed hat and sunglasses can also be helpful.

Stay hydrated by bringing a refillable water bottle. You'll likely be doing a lot of walking and talking during orientation.

Carry some snacks like granola bars, nuts, or fruits to keep your energy up throughout the day.

Take notes during presentations and workshops to remember important information.

Bring a lightweight and sturdy bag to carry your essentials and any materials or swag you may receive during orientation.

Pack travel-sized toiletries such as shampoo, conditioner, toothpaste, floss and deodorant. Don't forget any personal styling items and medicines you might need.

Bring your driver's license or ID, as well as any paperwork or documents you may need for orientation activities.

Bring your phone, laptop, or tablet along with their chargers. You may need them for presentations, workshops, or to stay connected during downtime.

Bring pillow, twin sheet set (extra-long) or sleeping bag, blanket, toiletries (as listed above), towel, shower shoes (slides or flip flops), and sleepwear.

Depending on your preferences and needs, you might also want to bring a camera, portable fan, or a small first aid kit.
