Tax Form Requirements for International/Foreign Students <u>ALL STUDENTS MUST COMPLETE A W-4</u>

INTERNATIONAL STUDENTS: Please see instructions below for completing Form W-4.

These instructions **do not apply** to U.S. Citizens and Resident Aliens.

The Internal Revenue Service (IRS) is the agency that is responsible for the collection of taxes in the United States. Students are reminded about the importance of completing Form W-4 so that the correct amount of taxes is withheld from paychecks.

To withhold taxes, students must complete a Form W-4, Employee's Withholding Allowance Certificate. Students are required to submit a completed Form W-4 before being permitted to begin working. If Form W-4 has already been submitted, it is important that it is completed correctly.

The Internal Revenue Service (please see **Notice 1392**) has suggested how our foreign students should complete the form as shown in the following example:

- Step 1 check the box for "Single or Married Filing separately" (even if Married and filing jointly)
- 2. Step 4 Write "NRA" or "Non-Resident Alien" under box 4c
- 3. Step 5 Sign and Date (Form is invalid if not signed or dated)

In most cases, foreign students are not exempt from having taxes withheld from their wages. If students think they may be exempt from tax withholding based on a tax treaty between the home county and the United States or based on an IRS code, students must contact Aida Sanchez-Posadas, Payroll Director, in the Payroll Department at (954) 262-7849 to request a Form 8233 and to obtain specific information regarding how to file the form.

Students, scholars, trainees, or teachers holding an F-1 visa are exempt from Social Security and Medicare taxes as long as the services performed are for the purposes specified in the visa.

All foreign students are required to contact the Payroll Director at (954) 262-7849 for further instructions on filing forms with the IRS.
