

NSU E-Mobility Device Policy

All Hoverboards Prohibited

**E-Scooters, Electric Skateboards and E-Bikes
must be kept and maintained off campus.**

NSU Fire Prevention Policy

4.11 Hoverboards, E-Scooters, Electric Skateboards and E-Bikes

- The operation, charging, storing and use of hoverboards is **prohibited** in all Nova Southeastern University facilities and on all university property and other properties owned and leased by the university with no exception. This includes all indoor and outdoor areas and properties.
- E-Scooters, Electric Skateboards and E-Bikes are allowed for transportation to and from campus. These devices **shall not** be allowed to be stored, or used in any NSU facility. Charging is strictly prohibited inside or outside of any NSU facility. This policy does not include wheel chairs or other ADA mobility devices.
