

## 2020 Student Employee Agreement and Intent to Re-enroll Form

NSU ID: \_\_\_\_\_ NAME (last name, first name): \_\_\_\_\_

### **SECTION A: NOT ENROLLED FEDERAL WORK-STUDY (FWS) STUDENTS ONLY**

According to the U.S. Department of Education, a student may work in a Federal Work-Study (FWS) funded position while not enrolled (e.g., over the summer) if the student is planning to re-enroll for the next regular semester/term. To be eligible, the student must use his/her net earnings to help pay for school expenses for the next semester/term and must submit this completed form with the attached worksheet to [studentemployment@nova.edu](mailto:studentemployment@nova.edu), via fax (954) 262-3967, to the One Stop Shop, Horvitz Administration Building, First Floor, or via interoffice mail addressed to Student Employment.

**Note:** Students who first started attending NSU during the Winter 2019 semester/term must attend the next immediate semester/term (summer for most programs) to be eligible for FWS. If you are enrolled for only part of the summer semester/term, the time that you are not in classes is considered a period of non-enrollment, and you must still calculate your earnings for the non-enrolled period.

FWS students must have filed their 2020-2021 FASFA at least one month prior to the summer semester/term. Failure to file the FAFSA will mean that summer FWS employment cannot be approved.

**Use attached worksheet to make your calculations.\***

\*Using the worksheet, calculate income tax, Social Security, and Medicare deductions. Calculate the amount of withholding according to how you completed your W-4. If you are already on the payroll, log into [SharkLink](#), click on the blue Self Service Banner (WebSTAR) icon in your application slider bar, select "Employee," click on "Tax Forms," and "W-4 Tax Exemptions/Allowances." Please note that the Office of Student Employment or the One-Stop Shops do not have access to this information.

\*\*Examples of Job-Related Expenses: Lunches, gas for travel to and from work.

By signing this form, I agree to use the stated Anticipated Net Earnings to cover school expenses for the upcoming academic year. I intend to enroll at Nova Southeastern University for the next semester/term. I may adjust this amount at a later date if my estimate turns out to be too low. Any adjustment must be submitted with a new Student Employee Agreement and Intent to Re-enroll Form (indicate "Revision" on the form).
