

CLIENT HANDOUT 4.3

**Example of Personalized Alcohol Use Feedback**  
**Pretreatment to Session 4**  
*Individual and Group Session 4*

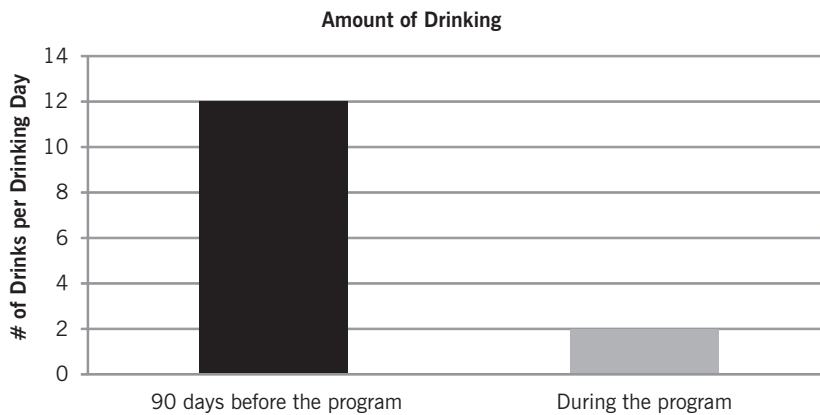

Personalized feedback for \_\_\_\_\_

The information you provided about your drinking when you first came in and over the course of treatment is shown in the graphs below.

The first graph compares how frequently (% of days) you drank during the 90 days preceding your treatment and during the time you were in the program.

**In looking at this first graph, how would you say your drinking has changed?**

The second graph compares how much you drank per drinking day during the 90 days preceding your treatment and during the time you were in the program.

**In looking at this second graph, how would you say your drinking has changed?**
