

## SHARKMEDIA – MY MEDIA FOR STUDENTS

### I. Canvas for Students: Submit a Video/Audio Assignment Using Kaltura

Kaltura is a media management system that can be used to upload media files as well as to create webcam recordings. Videos in Kaltura can be viewed from phones, tablets, and computers. Kaltura is accessed through your Canvas course site either through the

**(1) Embed Kaltura Media** button anywhere you see a **Rich Content Editor** or through

**(2) My Media** in the course navigation menu.

- You can upload an existing video (or audio) recording
- or you can **Use Your Computer's Webcam to Record a New Video with Kaltura**.
- You can also utilize My Media outside of canvas at:  
<https://sharkmedia.nova.edu/>
  - [Need to go here when you want to get the link/url for a video](#)
  - [Show how at bottom of this document](#)

Anywhere you encounter the Rich Content Editor (RCE), you can embed Kaltura media.

### Submitting an Assignment using My Media

1. Click the link to the assignment that requires embedding a Kaltura video.
2. Read the instructions and then click the **Start Assignment** button. *The **Text Entry** window appears with a Rich Content Editor.*
3. Select the **Embed Kaltura Media** button to open your **My Media** library.

#### 4. Then you can select your video from your my-media listings

If you do not have any recorded videos – you can create one by hitting ADD NEW

#### 5) If you choose to Add New Recording

You have several options

- Media Upload – if you have any mp4 saved files you can upload them here
- Express Capture – allows you to record a video now
- Webcam Recording option record a video now
- Can select YouTube – only public youtube is supported

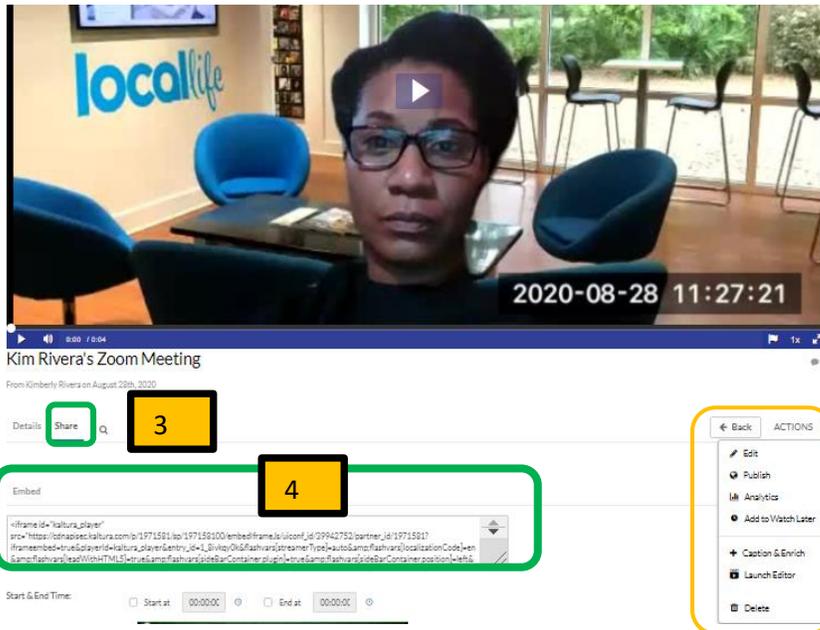

+ Add New

## 6) You can also view MY MEDIA in the Canvas Course Menu

- Here you can see your videos
- You can edit and publish videos
- You can also find the embed code by
  - Clicking on the title of video
  - Then under the video bottom left click on SHARE
  - Then copy the embed code

The screenshot displays the Canvas LMS interface for a course. On the left sidebar, the 'My Media' option is highlighted with a red box and labeled '1'. The main content area is titled 'My Media' and shows a video titled 'Kim Rivera's Zoom Meeting' with a green box around the title and a yellow box labeled '2' around the video player. A purple box highlights the 'Add New' button in the top right corner. The video player shows a person speaking in a Zoom meeting.

7) Now you can go back to your assignment – another way to post your embed code. Hit Insert and select Embed

Select "unlisted" and save

The screenshot shows a web browser window with the URL [https://sharkmedia.nova.edu/media/1\\_gmeytgxg](https://sharkmedia.nova.edu/media/1_gmeytgxg). The main content is a video player for "DNA Damage and Repair Lecture 15 - week 11 Class 1" by Lisa L. Baumbach Reardon, Ph.D., F.A.C.M.G. Below the video, the title "Genetics- Session 17 - 10/06/2020" is displayed. Underneath, there are options for "Details", "Share", and "ACTIONS". A blue bar indicates "You can publish the media to multiple categories and channels." Below that, the "Publishing Status:" section has three radio button options: "Private - Media will be visible to the content owner only.", "Unlisted - Media page will be visible to anyone with a link to the page." (which is selected and highlighted with a red box), and "Published - Media page will be visible to individuals according to entitlements on published destinations." At the bottom of this section, the "Save" button is highlighted with a red box, along with a "Cancel" button.

Now select "share" and you can copy that link to the course

The screenshot shows the same web browser window as the previous one. The "Share" button is now highlighted with a red box. Below the "Share" button, there are several options: "Link to Media Page", "Embed", "iFrame", "Email", and "Copy Link to Share" (which is highlighted with a red box). A red oval highlights the "Copy Link to Share" option and the resulting URL: [https://sharkmedia.nova.edu/media/1\\_gmeytgxg](https://sharkmedia.nova.edu/media/1_gmeytgxg). Below the URL, there are "Start & End Time:" fields with "Start at" and "End at" options, each with a "00:00:00" input field.
