This Progress Report is required of all Study Abroad participants and it is intended to be completed **no later than the 2<sup>nd</sup> week of the experience when in a summer study abroad program, or the end of the second month when in a semester program**

This report has the objective of helping you reflect on how your experience is going, what you are learning, and what you may need help with. Please complete this report as accurately and honestly as possible

## Task I

How is it going?

Write two to three paragraphs about your experience in general, and any positive or challenging experiences you have experienced in particular.

## Task II

Facebook Posting

You are required to post AT LEAST ONCE on the NSU Study Abroad Facebook Page.

## Task III

Visual Portfolio

Please send us at least 3 (three) photos with their captions featuring important moments of your experience so far. This can also be a short video.

*We hope you are having a great experience abroad!*

Please send to [sharksabroad@nova.edu](mailto:sharksabroad@nova.edu). A HOLD will be placed on your account until you send this report and you have entered your posting on Facebook. Once all tasks have been completed, this hold will be released.
