I have read and understand the following:

(read and initial next to EVERY statement)

OPT APPLICATION & PROCESSING

_____ I confirm that I have not had more than 364 days of FULL-TIME CPT authorized at my current degree-level (bachelors/masters/doctorate). I understand that if I have had 365+ days of full-time CPT at my current degree-level my OPT application will be denied. I understand that part-time CPT and/or less than 365 days of full-time CPT have no impact on OPT.

_____ I understand that USCIS must receive my application within 30 days of when the OPT-endorsed I-20 is created by the Office of International Affairs. This is true in all cases, even when re-submitting an application.

_____ I understand it is my responsibility to ensure that all forms are completed thoroughly and accurately. The Office of International Affairs is not responsible for any application errors and has no control over OPT documents sent to USCIS for adjudication.

_____ I may not begin employment until my OPT start date, as listed on my received EAD card.

_____ If my EAD card is lost or there are any errors on the EAD card, it is my responsibility to contact USCIS at 1-800-375-5283.

TRAVEL

TRAVELING SIGNATURES ON OPT I-20s

The federal regulations state that during post-completion OPT the travel signature should be no older than six months. **Re-entry into the US is never guaranteed.**

TRAVELING WHILE POST-COMPLETION OPT IS PENDING

Travel outside of the United States while Post-Completion OPT is pending is risky and is not recommended. If my OPT is approved or I am sent a Request for Evidence (RFE) while I am out of the country, the officer at the U.S. port of entry may expect me to have the documents that have been mailed to my US address, as listed on the I-765. Since I will not have these documents, I may be denied entry. Additional travel information is available at www.ice.gov/sevis/travel.

If I choose to travel while post-completion OPT is pending, which is not recommended, I should have the following documents:

- Passport (valid for at least six months after you plan to re-enter the US)
- Valid F-1 visa stamp in your passport (except Canadian and Bermudian citizens)
- OPT I-20 (with a travel signature no older than six months)
- Form I-797 (Your I-765 receipt notice which will be sent to your address approximately 3-4 weeks after USCIS receives your OPT application)

APPLYING FOR A NEW F-1 VISA WHILE POST-COMPLETION OPT IS PENDING

If I leave the country and need to apply for a new F-1 visa while my post-completion OPT application is pending I must have Form I-797 (I-765 receipt notice) in addition to the usual documents required for a visa application. F-1 visa renewals are not guaranteed and I may not be able to re-enter the US in student status if my current F-1 visa is expired. This would result in an abandonment of my OPT benefit.

TRAVELING AFTER POST-COMPLETION OPT IS APPROVED

If my post-completion OPT has been approved (EAD card has been issued by USCIS) and I have a job or a job offer, I may leave and re-enter the US in order to begin or resume employment. If my post-completion OPT has been approved and I leave the US before getting a job or job offer, I may not be able to re-enter the US as an F-1 student. After USCIS has issued an EAD card for post-completion OPT, in order to have the best chance of re-entering the US I should have the following documents:

- Passport (valid for at least six months after you plan to re-enter the US)
- Valid F-1 visa stamp in your passport (except Canadian and Bermudian citizens)
- OPT I-20 (with a travel signature no older than six months)
- Evidence that you already have a job in the US or that you have a job offer

APPLYING FOR A NEW F-1 VISA AFTER POST-COMPLETION OPT IS APPROVED

If I leave the country and need to apply for a new F-1 visa after my post-completion OPT application has been approved I must have my EAD card and evidence that I have a job or job offer in the US, in addition to the usual documents required for a visa application.
