NURSING EXPERIENCE

Nurse Extern

Hospital ABC

May 2016 – July 2016
Orlando, FL

- Supported a diverse population of patients in a large academic health sciences hospital setting
- Shadowed Neonatal ICU nurses on a regular basis to gain more exposure to the unit
- Observed other nurses and interacted with patients in multiple diagnostic and recovery areas including surgical, critical care and pediatrics units
- Communicated with nurses to develop and carry out patient's plan of care
- Ensured patient safety and wellbeing by using strong time management skills to maintain high patient interaction
- Built rapport with patients to provide patient-centered care and advocated for patient's needs

CLINICAL ROTATIONS

Medical/Surgical I Rotation: *Hospital ABC*

January 2016–Present

- Assisted nurses and staff in providing care for surgical and orthopedic patients
- Performed basic bedside procedures including vital signs, blood glucose monitoring, and Foley catheter care
- Gained experience in the various routes of medication administration

Medical/Surgical II Telemetry Floor: *Hospital ABC*

September 2016–December 2016

- Assisted nurses and staff in providing care for patients on a step-down trauma/telemetry unit
- Developed skills pertaining to neurovascular assessments, cast care, and chest tubes
- Provided patient education and teaching regarding antihypertensive medications

Critical Care Unit-Clinical Practicum Experience: *Hospital ABC*

March 2016–April 2016

- Collaborated with nurse preceptor in formulating and implementing a plan of care for patients with acute cardiovascular conditions
- Provided care to patients requiring endotracheal intubation and mechanical ventilation
