

# *The Adventures of the Flat After-School Teacher*

Hello, my student

How do you do?

It's your after-school teacher, with some news for you.

I don't remember just quite how it happened,

But when I woke up today I saw I was flattened!

I've missed you so much as we've been apart,

But today I thought of something real smart.

I hopped in an envelope and went for a ride

Mailing myself to your house so I could be by your side!

Now that I'm here, there's so much to see

So come along and explore with me!

Show me your family, your toys and your room,

Or even a pet or a sink or a broom.

As we explore, ask your parents real nice,

With a "please" and a "thank you" for some extra spice,

To take pictures of us with the things we will find

And share with the class — I hope you won't mind!
