Crime Prevention: HOW TO PROTECT YOUR CAR

Many auto thefts are crimes of "opportunity". Leaving the keys in your car (even a "hidden" spare key) greatly increase your chances of having your car stolen.

Do not leave your keys in your car.

Close your windows and lock your doors whenever you leave your car, regardless of how long you plan to be gone.

Park in well-lit areas. Do not leave valuables and packages in your car.

Be observant and immediately report any and all suspicious activity on campus to NSU Public Safety at **(954)262-8999**.
