Policies and programs set forth in this handbook are effective through the academic year 2016–2017. Changes in the content of the NSU Student Handbook may be made, at anytime, by the university, division, or college administration. Adequate notice of anticipated changes will be given to the student, whenever possible. This student handbook supersedes all previous handbooks, documents, and directives where they may be in conflict. The student handbook is the governing document for all program-related information. Please become familiar with the policies and procedures listed within. Failure to read this handbook does not excuse students from the rules, policies, and procedures contained in it.

The university recognizes that individual programs require different times for the completion of academic studies leading to a degree. Therefore, the time frame is a matter within the discretion of each academic program. All program/center catalogs, bulletins, and handbooks carry this information. Students should refer to their individual program’s or center’s catalog and/or student handbook for further information about academic programs, policies, and procedures.

NSU History

Nova Southeastern University (NSU) is a not-for-profit, fully accredited, coeducational institution. It was founded in 1964 as Nova University of Advanced Technology. In 1974, the board of trustees changed the university's name to Nova University. In 1994, Nova University merged with Southeastern University of the Health Sciences to form Nova Southeastern University.

NSU is well known for innovation and quality in both traditional and distance education. The university serves large numbers of adult students and a growing population of traditional undergraduates. To date, the institution has produced more than 170,000 alumni.

Based on fall-term enrollment as a measure, Nova Southeastern University is the largest independent institution of higher education in the Southeast with more than 23,000 students, and is the ninth largest independent institution nationally. NSU is one of 169 colleges and universities statewide and one of 29 independent four-year institutions in Florida.

The university awards associate’s, bachelor’s, master’s, educational specialist, doctoral, and first-professional degrees in a wide range of fields, including business, counseling, computer and information sciences, education, medicine, dentistry, pharmacy, various health professions, law, marine biology, psychology, and other social sciences. The university offers 66 undergraduate majors through the College of Arts, Humanities, and Social Sciences; the Abraham S. Fischler College of Education; the H. Wayne Huizenga College of Business and Entrepreneurship; the College of Health Care Sciences; and the College of Nursing.

Nova Southeastern University has the only college of optometry in Florida and the only college of dentistry in South Florida, and had the first college of pharmacy in South Florida. The institution also enjoys an excellent reputation for its programs for families offered through the Mailman Segal Center for Human Development and NSU University School, including innovative parenting, preschool, primary, and secondary education programs. NSU University School, a fully accredited independent college preparatory day school, enrolls students in prekindergarten through 12th grade and operates from NSU’s Fort Lauderdale/Davie Campus.

NSU’s programs are administered through academic centers that offer courses at campuses in Fort Lauderdale, North Miami Beach, and Dania Beach as well as other locations throughout Florida, across the nation, and at selected international sites. Despite the geographic diversity of sites where classes are offered, 89 percent of the student body attends classes in Florida, and 82 percent of all students enrolled attend classes in the tricounty area (i.e., Miami-Dade, Broward, and Palm Beach counties). With an annual budget of approximately $570 million, Nova Southeastern University also has a significant economic impact on the surrounding community. A recent NSU study revealed that the university and its students and employees had an annual economic impact of approximately $2.6 billion on the Florida economy.

Reservation of Power

The NSU Student Handbook is not intended to be a contract or part of a contractual agreement between NSU and the student. The NSU Student Handbook is available online at nova.edu/studentaffairs/forms/studenthbk_2016-17.pdf. Changes in the content of the student handbook may be made at anytime, by the university, division, or college administration. Whenever possible, adequate notice of anticipated changes will be given to the student. This student handbook supersedes all previous handbooks, documents, and directives where they may be in conflict. The student handbook is the governing document for all program-related information. Please become familiar with the policies and procedures listed within. Failure to read this handbook does not excuse students from the rules, policies, and procedures contained in it. Students are expected to be familiar and comply with all the policies and procedures contained within the student handbook, including any revisions or modifications.

Nova Southeastern University reserves the right to amend, modify, add to, or delete its rules, policies, and procedures without notice, affecting its institutional relationship with students as deemed necessary by the administration. Any such amendment, modification, addition, or deletion shall not be considered a violation of the relationship between the university and the student. Such right includes modification to academic requirements, curriculum, tuition, and/or fees when in the judgment of the administration such changes are required in the exercise of its educational responsibility.

Nondiscrimination Statement

Consistent with all federal and state laws, rules, regulations, and/or local ordinances (e.g., Title VII, Title VI, Title III, Title II, Rehab Act, ADA, Title IX, and the Florida Civil Rights Act), it is the policy of Nova Southeastern University not to engage in discrimination or harassment against any persons because of race, color, religion or creed, sex, pregnancy, national or ethnic origin, nondisqualifying disability, age, ancestry, marital status, sexual orientation, military service, veteran status, political beliefs or affiliations, and to comply with all federal and state nondiscrimination, equal opportunity and affirmative action laws, orders, and regulations. Any such acts are unacceptable and strictly prohibited by the university.

In addition, the law prohibits retaliation against an individual for opposing any practices forbidden under this policy, for bringing a complaint of discrimination or harassment, for assisting someone with such a complaint, for attempting to stop such discrimination or harassment, or for participating in any manner in any investigation or resolution of a complaint of discrimination or harassment.

This nondiscrimination policy applies to admissions, enrollment, scholarships, loan programs, athletics, employment, and access to, participation in, and treatment in all university centers, programs, and activities. NSU admits students of any race, color, religion or creed, sex, pregnancy, national or ethnic origin, nondisqualifying disability, age, ancestry, marital status, sexual orientation, military service, veteran status, political beliefs or affiliations, and activities generally accorded or made available to students at NSU and does not discriminate in the administration of its educational policies, admission policies, scholarship and loan programs, and athletic and other school administered programs.

The following person has been designated to handle inquiries and complaints regarding perceived discrimination and NSU nondiscrimination policies:

Code of Student Conduct and Academic Responsibility

Purpose: This code seeks to promote high standards of behavior and academic integrity by setting forth the responsibilities of students as members of the university community. Abiding by the code ensures a climate wherein all members of the university community can exercise their rights of membership.

Code of Student Conduct Statement

The university is a community of scholars in which the ideals of freedom of inquiry, freedom of thought, freedom of expression, and freedom of the individual are sustained. However, the exercise and preservation of these freedoms and rights require a respect for the rights of all in the community to enjoy them to the same extent. It is clear that in a community of learning, willful disruption of the educational process, destruction of property, and interference with the orderly process of the university as defined by the university administration or with the rights of other members of the university cannot be tolerated. Students enrolling in the university assume an obligation to conduct themselves in a manner compatible with the university's function as an educational institution. To fulfill its functions of imparting and gaining knowledge, the university retains the power to maintain order within the university and to exclude those who are disruptive to the educational process.

In support of the Code of Student Conduct, any violations of the Code of Student Conduct and Academic Responsibility and/or university policies and procedures may result in disciplinary action and/or criminal prosecution. Violations of academic and/or supplementary standards will be handled through the student's academic college, center, or school. Violations of conduct standards, supplementary standards, university policies, and/or procedures will be handled by the Office of the Vice President of Student Affairs or by the individual academic college, center, or school as deemed appropriate. Violations of sexual misconduct/discrimination will be handled by the Office of the Vice President of Student Affairs.

Changes to the Code of Student Conduct and Academic Responsibility will be posted on the Student Affairs website. Students are required to be familiar with the rules, policies, and Code of Student Conduct and Academic Responsibility.

Nova Southeastern University
Statement of Student Rights and Responsibilities

Nova Southeastern University, as a community of women and men, is committed to furthering scholarship, academic pursuits, and service to our society. As an institution, our purpose is to ensure all students an equal opportunity to fulfill their intellectual potential through pursuit of the highest standards of academic excellence.

Certain rights and obligations flow from membership in any academic community committed to such goals:

- the rights of personal and intellectual freedom, which are fundamental to the idea of a university
- scrupulous respect for the equal rights and dignity of others
- dedication to the scholarly and educational purposes of the university and participation in promoting and ensuring the academic quality and credibility of the institution

Students are responsible for obtaining, learning, and observing the established university and academic center policies as listed in all official publications. In addition, students must comply with the legal and ethical standards of the institution, as well as those of Broward County, the state of Florida, as well as any other laws, rules, and/or regulations of other jurisdictions. All members of the community should inform the appropriate official of any violation of conduct regulations.
A. Academic Standards

The university is an academic community and expects its students to manifest a commitment to academic integrity through rigid observance of standards for academic honesty. The university can function properly only when its members adhere to clearly established goals and values. Accordingly, the academic standards are designed to ensure that the principles of academic honesty are upheld.

The following acts violate the academic honesty standards:

1. Cheating—intentionally using or attempting to use unauthorized materials, information, or study aids in any academic exercise

2. Fabrication—intentional and unauthorized falsification or invention of any information or citation in an academic exercise

3. Facilitating Academic Dishonesty—intentionally or knowingly helping or attempting to help another to violate any provision of this code

4. Plagiarism—the adoption or reproduction of ideas, words, or statements of another person as one's own without proper acknowledgment

Students are expected to submit tests and assignments that they have completed without aid or assistance from other sources. Using sources to provide information without giving credit to the original source is dishonest. Students should avoid any impropriety or the appearance thereof in taking examinations or completing work in pursuance of their educational goals.

Students are expected to comply with the following academic standards:

1. Original Work

Assignments such as course preparations, exams, texts, projects, term papers, practicum, or any other work submitted for academic credit must be the original work of the student. Original work may include the thoughts and words of another author. Entire thoughts or words of another author should be identified using quotation marks. At all times, students are expected to comply with the university and/or program center's recognized form and style manual and accepted citation practice and policy.

Work is not original when it has been submitted previously by the author or by anyone else for academic credit. Work is not original when it has been copied or partially copied from any other source, including another student, unless such copying is acknowledged by the person submitting the work for the credit at the time the work is being submitted, or unless copying, sharing, or joint authorship is an express part of the assignment. Exams and tests are original work when no unauthorized aid is given, received, or used before or during the course of the examination, re-examination, and/or remediation.

2. Referencing the Works of Another Author

All academic work submitted for credit or as partial fulfillment of course requirements must adhere to each program center's specific accepted reference manuals and rules of documentation. Standards of scholarship require that the writer give proper acknowledgment when the thoughts and words of another author are used. Students must acquire a style manual approved by their center and become familiar with accepted scholarly and editorial practice in their program. Students' work must comport with the adopted citation manual for their particular center.

At Nova Southeastern University, it is plagiarism to represent another person's work, words, or ideas as one's own without use of a center-recognized method of citation. Deviating from center standards (see above) are considered plagiarism at Nova Southeastern University.
3. Tendering of Information

All academic work must be the original work of the student. Knowingly giving or allowing one’s work to be copied, giving out exam questions or answers, or releasing or selling term papers is prohibited.

4. Acts Prohibited

Students should avoid any impropriety or the appearance thereof, in taking examinations or completing work in pursuance of their educational goals. Violations of academic responsibility include, but are not limited to the following:

- plagiarism
- any form of cheating
- conspiracy to commit academic dishonesty
- misrepresentation
- bribery in an attempt to gain an academic advantage
- forging or altering documents or credentials
- knowingly furnishing false information to the institution

Students in violation will be subjected to disciplinary action.

5. Additional Matters of Ethical Concern

Where circumstances are such as to place students in positions of power over university personnel, inside or outside the institution, students should avoid any reasonable suspicion that they have used that power for personal benefit or in a capricious or arbitrary manner.

B. Conduct Standards

1. Students should not interfere with the rights, safety, or health of members of the university community nor interfere with other students' right to learn. Students are expected to abide by all university, center, and program rules and regulations and all local, state, and federal laws. Students are responsible for adherence to the university code of conduct and all university policies and procedures while attending or participating in university-sponsored programs, activities, and/or events off the Fort Lauderdale/Davie Campus or at any NSU sites.

Violations of conduct standards include, but are not limited to

- theft (including shoplifting at any university service center, e.g., bookstore, food service facility), robbery, and related crimes
- vandalism or destruction of property
- disruptive behavior/disorderly conduct (e.g., in residence halls and classrooms, or at university-sponsored events, on or off campus)
- physical or verbal altercation, assault, battery, domestic violence, or other related crimes
- gambling
- possession or use of firearms; pellet, air soft, and paint ball guns; fireworks; explosives; or other dangerous substances or items
- possession, transfer, sale, or use of illicit and/or illegal drugs or alcohol if a minor
- appearance in class or on campus under the apparent influence of drugs or alcohol, illegal or illicit drugs or chemicals
i. any act or conspiracy to commit an act that is harassing, abusive, or discriminatory or that invades an individual's right to privacy; sexual harassment; discrimination and abuse against members of a particular racial, ethnic, religious, on the basis of sex/gender, sexual orientation, marital status or cultural group and/or any other protected group or as a result of an individual's membership in any protected group. Refer to the university's sexual misconduct policy for more information.

o. “hazing”

Any action or situation that recklessly or intentionally endangers the mental or physical health or safety of a student for purposes including, but not limited to, initiation or admission into or affiliation with any organization operating under the sanction of a postsecondary institution. Hazing includes, but is not limited to, pressuring or coercing the student into violating state or federal law; any brutality of a physical nature, such as whipping, beating, branding, or exposure to the elements; forced consumptions of any food, liquor, drug, or other substance or other forced physical activity that could adversely affect the physical health or safety of the student; and any activity that would subject the student to extreme mental stress, such as sleep deprivation, forced exclusion from social contact, forced conduct that could result in extreme embarrassment, or other forced activity that could adversely affect the mental health or dignity of the student. Hazing does not include customary athletic events or other similar contests or competitions or any activity or conduct that furthers legal and legitimate objective. (Florida Hazing Law, 1006.63) Engaging in, supporting, promoting, or sponsoring hazing or violating university rules governing hazing is prohibited.

r. failure to comply with the directives of NSU officials

s. violation(s) of the terms or condition of a disciplinary sanction(s) imposed

t. violation of any policy, procedure, or regulation of the university or any state or federal law, rule, regulation, or county ordinance

u. fraud, misrepresentation, forgery, alteration or falsification of any records, information, data, or identity

v. plagiarism

w. possession of drug paraphernalia

x. use of another student's ID card

2. Students must have authorization from the university to have access to university documents, data, programs, and other types of information and information systems. Any use of the above without authorization is prohibited.
C. Supplementary Standards
Students are expected to comply with the legal and ethical standards of this institution and those of their chosen field of study, including the Code of Ethics for Computer Usage. The university and each center or program may prescribe additional standards for student conduct. Reasonable notice may be provided when additions or changes are made to the standards for student conduct. Students should refer to their center and/or Student Affairs website for policy updates or changes.

D. Violations
Any violation(s) of any of the academic standards, conduct standards, or supplemental standards may result in a complaint being filed against a student to enforce the Code of Student Conduct and Academic Responsibility. Deans, associate deans, or directors may, in their discretion, immediately suspend students pending a hearing on charges of academic, conduct, or supplemental standards violations. Violations of academic, conduct, or supplemental standards are subject to disciplinary action, up to and including, expulsion from the university. Violations of academic standards will be handled through the student’s academic college, school, or center. Violations of conduct or supplementary standards will be handled by the Office of the Vice President of Student Affairs or by the individual academic college, school, or center as deemed appropriate. Violations of sexual misconduct/discrimination will be handled by the Office of the Vice President of Student Affairs.

E. Sanctions
If the student is found in violation of the Code of Student Conduct and Academic Responsibility and/or university policies and procedures, one or more of the following sanctions may be imposed. The following list is only illustrative. The university reserves the right to take additional disciplinary action as it deems appropriate.

1. **Expulsion**
   Permanent dismissal from the university with no right for future readmission under any circumstances. A student who has been expelled is barred from campus and/or visiting privileges.

2. **Suspension**
   Mandatory separation from the university for a period of time specified in an order of suspension. An application for readmission will not be entertained until the period of separation indicated in the suspension order has elapsed. Readmission is subject to approval of the university. During the period of suspension, the student is barred from campus visiting privileges unless specific permission is granted by the vice president of student affairs or designee, or by the student’s program pursuant to its published policies and procedures.

3. **Temporary Suspension**
   Action taken by the vice president of student affairs/associate dean of student affairs, which requires a student’s temporary separation from the university until a final determination is made of whether or not a student is in violation of the Code of Student Conduct and Academic Responsibility.

4. **Final Disciplinary Probation**
   A disciplinary sanction serving notice to a student that his/her behavior is in flagrant violation of university standards, under which the following conditions exist:
   a. The sanction is for the remainder of the student’s career and may be reviewed by the dean of student affairs no sooner than two regular academic semesters or equivalent after the sanction is imposed. After two semesters in attendance, a student may initiate a request in writing for reduction of the sanction to disciplinary probation, but must also demonstrate reason to substantiate the request.
b. Another violation of the Code of Student Conduct and Academic Responsibility will at a minimum result in suspension.

5. Disciplinary Probation
A disciplinary sanction serving notice to a student that his/her behavior is in serious violation of university standards. A time period is indicated during which another violation of the Code of Student Conduct and Academic Responsibility will automatically raise the question of a more severe sanction (suspension or expulsion) if the student is found in violation.

6. Disciplinary Warning
A disciplinary sanction serving notice to a student that his/her behavior has not met university standards. This sanction remains in effect for a designated number of semesters of attendance after which it is expunged from the student's file.

7. Verbal Warning
A verbal warning is a verbal admonition to the student by a university staff member that his/her behavior is inappropriate. A verbal warning will be noted in the student's file for a period of time after which it is expunged from the student's file.

8. Fines
Penalty fees payable to the university for violation of certain regulations with the Code of Student Conduct and Academic Responsibility.

9. Restitution
Payment made for damages or losses to the university, as directed by the adjudicating body.

10. Restriction or Revocation of Privileges
Restriction or revocation of privileges is the temporary or permanent loss of privileges, including, but not limited to, the use of a particular university facility, visitation privileges, and parking privileges.

11. Termination or Change of Residence Hall Contract/Accommodation
Termination or change of residence hall contract/accommodation is a disciplinary sanction that terminates or changes the Residence Hall Contract/Accommodation. This should be accompanied by another form of disciplinary action. It is considered permanent unless lifted by the vice president of student affairs/associate dean of student affairs/director of residential life or designee.

12. Counseling Intervention
When extreme behavior indicates that counseling may be beneficial, the student may be referred to counseling.

13. Other Appropriate Action
Disciplinary action not specifically outlined above, but approved through the vice president of student affairs/associate dean of student affairs or designee.

14. Parent/Legal Guardian Notification
NSU personnel reserve the right to contact or notify a student's parent(s) or legal guardian(s) of a minor student, under 21 years of age, in writing or by phone, when alcohol or drug violations of university policy occur, or when NSU personnel determine a student's safety and/or welfare is at risk.
F. Appeal Process

An appeal of disciplinary action taken by the Office of the Vice President of Student Affairs or its designee must be made in writing to the vice president of student affairs within 72 hours of the receipt of the written disposition of the hearing. In appealing a disciplinary decision, the appeal must fall into one of the following categories:

1. the student has new evidence that was not available prior to the original hearing
2. the disciplinary process was not adhered to during the student’s hearing
3. the sanction(s) do not relate appropriately to the violation

A written decision will be provided by the vice president of student affairs within a reasonable amount of time from receipt of the appeal request. The decision of the vice president of student affairs will be final. For appeals of disciplinary action taken by individual colleges, centers, or schools, please consult the academic section of this handbook related to this area and/or academic dean or designee.
Specific University
Policies and Procedures
Specific University Policies and Procedures

Alcohol Policy

Nova Southeastern University, as an institution of higher education, is dedicated to the well being of all members of the university community—students, faculty members, employees, and administrators. Concerned with the misuse of alcohol and other drugs (both licit and illicit), it is the policy of NSU to endeavor to prevent substance abuse through programs of education and prevention.

NSU recognizes alcoholism and drug abuse as illnesses or treatable disorders, and it is NSU’s policy to work with members of the NSU community to provide channels of education and assistance. However, it is the individual’s responsibility to seek help. NSU also recognizes that the possession and/or use of certain substances are illegal. NSU is further obligated to comply with all local, state, and federal laws.

The policy governing the use of alcohol by students at Nova Southeastern University is in compliance with the laws of the state of Florida prohibiting the consumption of alcoholic beverages by persons who are minors (under the age of 21). The policy is based on the use of alcohol in moderation and under appropriate circumstances. The university recognizes that students are adults and are expected to obey the law and take personal responsibility for their own conduct. The laws of the state of Florida prohibit the possession or consumption of alcohol by individuals less than 21 years of age.

1. The university will not authorize the use of student activity fees or other student funds collected and administered by the university to provide alcoholic beverages for any student event.

2. The sale, delivery, possession, and/or consumption of alcoholic beverages on any property owned and controlled by NSU is strictly prohibited, except as licensed by the state of Florida or otherwise permitted in these regulations. The use of alcoholic beverages on university premises shall be considered a privilege and may be allowed only if consistent with state laws and university regulations, and only when it will not interfere with the decorum and academic atmosphere of the campus.

3. Exception to this prohibition is made for university housing residents of legal drinking age. The possession and use of alcoholic beverages in university housing is governed by the Residential Living Guide.

4. The president, or an appropriate designee, may approve other exceptions to this prohibition, to allow possession or consumption of alcoholic beverages by persons of legal drinking age at designated events and locations on campus.

5. The use of alcoholic beverages off campus by students of legal drinking age is permissible. However, incidents of intoxication and/or misconduct are subject to university disciplinary action. Students are expected to comply with municipal, state, and federal laws pertaining to the possession and consumption of alcoholic beverages. Any violation of these laws may result in disciplinary action including, but not limited to, probation, suspension, or expulsion from the university.

Guidelines for the Use of Alcohol at University Student Events

1. Nova Southeastern University functions, which are student oriented, may serve only beer and wine. All requests for such events must be coordinated through NSU’s Office of the Vice President of Student Affairs.

2. Entry fees may be charged, but this fee is only for admission to the event, not for the sale of beer or wine.

3. One-quarter hour before the approved ending time listed on the exemption, ticket sales will stop.
4. Any advertisements for the event (including leaflets, invitations, posters, letters, and all other forms of advertisements) cannot advertise alcohol. These advertisements must display the following information: Beverages will be available. Must have valid state-issued picture identification for verification of age.

5. An adequate amount of food and alternative beverages (such as water, juice, assorted sodas, coffee, and teas) must be available throughout the duration of the event. These will be provided at the cost of the organization holding the event. The amount of food and beverages appropriate for the size of the event will be determined by the director of the student union.

6. No organization or individual may purchase beer or wine for an event. All beer and wine must be purchased and served by the Office of the Vice President of Student Affairs. No other alcohol is permitted.

7. The director of student activities or designee will be present during an event at which beer and wine are served. If the director is not available, then a university employee will be designated by the Office of the Vice President of Student Affairs. The organizational contact of the event must be present during the entire event as a point of contact for the director of the student union or designee.

8. The sponsoring organization is responsible for ensuring that all university policies are strictly obeyed. These guidelines do not override existing university policies, but rather, these guidelines should be used in conjunction with any and all other university policies.

9. Appropriate precautionary measures must be in place to ensure that alcoholic beverages are not served to persons under the legal drinking age. These measures include having a designated individual, as deemed by the Office of the Vice President of Student Affairs, screening people entering the event and attaching a bracelet or stamp indicating those of legal drinking age. At any time during the event, the screening individual has the option to decline identification provided by an individual. The entire staff working the event has the right to refuse service to individuals deemed as having enough alcohol before or during the event.

10. Under no circumstances should anyone be coerced to drink alcohol. All drinking games, contests, or events that encourage excessive drinking are prohibited. The sponsoring organization is responsible for ensuring that all NSU policies and procedures are strictly obeyed.

11. It shall be at the discretion of the Office of the Vice President of Student Affairs whether to make arrangements and pay for any security needs necessary based on the specifics of the event and the number of estimated attendees.

12. Violations of these guidelines during the event may result in the closing of the event. All individual violations will be referred to the Office of the Vice President of Student Affairs for review. The university can take disciplinary actions as a result of violations of these guidelines.

**Abuse/Physical Assault**

Nova Southeastern University has expectations of the student body to resolve differences in a mature and respectful manner. Physical abuse, verbal abuse, threats, intimidations, coercion, and/or other conduct that threatens or endangers the health, safety, and/or welfare of any other member of the university community on or off campus is prohibited.
Acceptance of Professional Fees

The activities of students in any other profession, position, or vocation are not to be construed as the practice of medicine, optometry, pharmacy, occupational therapy, physical therapy, physician assistance, dentistry, public health, law, psychology, counseling, nursing, audiology, anesthesiology assistance, vascular sonography, and/or education. It is a violation of the law and contrary to the policy of this university for any unlicensed person to engage in the professional practice of health care, law, psychology, audiology, and/or education. Students who are appropriately licensed in a profession may engage in that profession’s work to the extent provided by the law. (Students of the College of Osteopathic Medicine are required to comply with the College of Osteopathic Medicine’s policy and procedure regarding professional work while enrolled.)

No student shall commit or aid in the intentional commission of an act that results in a fire being ignited, which causes damage, or is intended to cause damage, to the property of the university or the personal property of any member of the university community.

Bomb Threats

The placement of a bomb threat is an intolerable violation of university policy, which will result in expulsion from the university.

Breaking and Entering

The entering, or attempt to enter, any room, building, motor vehicle, or other form of property without proper authorization or consent is prohibited.

Campus Security Report

Nova Southeastern University, through the Public Safety Department, annually publishes the Campus Safety Handbook, which includes security policies, procedures, practices, and statistics for offenses. Information is also available on the NSU public safety website at nova.edu/publicsafety/forms/campus_safety_handbook.pdf.

Cellular Phone Policy

The university recognizes the growing trend regarding student possession of cellular phones and electronic devices with video, camera, or voice recording capabilities. In support of each individual’s reasonable expectation of privacy, the copyright and intellectual property laws, the use of these cellular phone features by NSU students must be in conjunction with express consent. Students are expressly forbidden to video, use camera or voice recordings without the express consent of the subject(s) being photographed or recorded. You may not place any pictures or videos of people on a webpage without the expressed permission of the people in the pictures or videos. Any student whose use of their cellular phone violates another’s reasonable expectation of privacy or produces any media as a result of the cellular phone capabilities without express consent may be found in violation of this policy. Violations of this policy may lead to disciplinary action that may result in confiscation of the cellular phone and referral to Student Affairs as a violation of the NSU Code of Student Conduct. Students are instructed to refer to their center’s or college’s individual program policies regarding cellular phone use and possession, because additional restrictions may apply.
Closing Hours
No student is permitted to enter or remain in any university building or facility, including the swimming pools, or in the academic areas of the university, after normal closing hours, unless written approval to do so has been obtained in advance from authorized university personnel.

Complicity
Students associated with, or present during, the commission of an act(s) by another, which constitutes a violation of university policy, may also be charged if the student's behavior constitutes permission, contributes to, or condones the violation.

Computers
The following five sections detail NSU policy related to the use of computers, email, and the Internet. The information is available at https://www.nova.edu/portal/oit/policies.

Acceptable Use of Computing Resources and All Other Policies
This policy provides guidelines for the appropriate and inappropriate use of the computing resources of Nova Southeastern University. It applies to all users of the university’s computing resources including students, faculty and staff members, alumni, and guests of the university. Computing resources include all computers, related equipment, software, data, local area networks, and listservs for which the university is responsible as well as networks throughout the world to which the university provides computer access.

The computing resources of Nova Southeastern University are intended to be used for its programs of instruction and research and to conduct the legitimate business of the university. All users must have proper authorization for the use of the university’s computing resources. Users are responsible for seeing that these computing resources are used in an effective, ethical, and legal manner. Users must apply standards of normal academic and professional ethics and considerate conduct to their use of the university’s computing resources. Users must be aware of the legal and moral responsibility for ethical conduct in the use of computing resources. Users have a responsibility not to abuse the network and resources, and to respect the privacy, copyrights, and intellectual property rights of others.

In addition to the policy contained herein, usage must be in accordance with applicable university policies (see Related policies listed at the end of this section) and applicable state and federal laws. Among the more important laws are the Florida Computer Crimes Act, the Federal Computer Abuse Amendment Act 1994, the Federal Electronic Communications Privacy Act, and the U.S. Copyright Act. Copies of these laws and the NSU copyright policy may be examined in the Office of Academic Affairs. Unauthorized distribution of copyrighted material, including unauthorized peer-to-peer file sharing, may subject the student to civil and criminal liabilities.

Policy violations generally fall into five categories that involve the use of computing resources:

1. for purposes other than the university's programs of instruction and research and the legitimate business of the university
2. to harass, threaten, discriminate, stalk, intimidate, or otherwise cause harm or attempt to cause harm to specific individuals or classes of individuals
3. to impede, interfere with, impair, or otherwise cause harm to the activities of others
4. to download, post or install to university computers, or transport across university networks, material that is illegal, proprietary, in violation of license agreements, in violation of copyrights, in violation of university contracts, or otherwise damaging to the institution

5. to recklessly, willfully, negligently, or maliciously interfere with or damage NSU computer or network resources or computer data, files, or other information

Examples (not a comprehensive list) of policy violations related to the above five categories include:

• using computer resources for personal reasons
• using computer resources to invade the privacy of another
• sending email on matters not concerning the legitimate business of the university
• sending an individual or group repeated and unwanted (harassing) email or using email to threaten someone
• accessing, or attempting to access, another individual’s data or information without proper authorization (e.g. using another’s computing account and password to look at their personal information)
• creating a false email address
• propagating electronic chain mail, pyramid schemes or sending forged or falsified email
• obtaining, possessing, using, or attempting to use someone else’s password regardless of how the password was obtained
• copying a graphical image from a website without permission
• posting a university site-licensed program to a public bulletin board
• using illegally obtained licensed data/software, or using licensed data/software in violation of their licenses or purchase agreements
• releasing or threatening to release a virus, worm, or other program that damages or otherwise harms a system, network, or data
• preventing others from accessing services
• attempting to tamper with or obstruct the operation of NSU’s computer systems or networks
• using or attempting to use NSU’s computer systems or networks as a means for the unauthorized access to computer systems, networks, or data outside the university
• improper peer-to-peer file sharing
• viewing, distributing, downloading, posting or transporting child or any pornography via the web, including sexually explicit material for personal use that is not required for educational purposes
• using university resources for unauthorized purposes (e.g. using personal computers connected to the campus network to set up web servers for illegal, commercial, or profit-making purposes)
• violating federal copyright, intellectual property, and/or trademark laws or the NSU copyright, intellectual property, and/or policy

Inappropriate conduct and violations of this policy will be addressed by the appropriate procedures and agents (e.g., the Office of the Vice President for Academic Affairs or the Office of Human Resources) depending on the individual’s affiliation to the university. In cases where a user violates any of the terms of this policy, the university may, in addition to other remedies, temporarily or permanently deny access to any and all NSU computing resources, and appropriate disciplinary actions may be taken, up to and including dismissal.

Enterprise Username and Password Policy

Policy Rationale

Nova Southeastern University’s (NSU) network and information systems provide the technical foundation for conduct of its academic, research and administrative missions. Providing this open access to information technology is imperative to ensuring academic freedom at the institution. An important part of providing this network access is ensuring that the network and associated information is secure.

The purpose of this policy is to provide guidance to faculty, staff, students, and other authorized users regarding usernames and passwords in order to protect individual and University information and resources. Adherence to this policy will help ensure that the university network and information systems are standardized, secure, and available to all.

Policy Statement

Usernames must be assigned to each individual user to access any NSU network. Generic usernames may only be used in circumstances where they are deemed appropriate by the Chief Information Security Officer.

Passwords must meet the minimum standards set by the Chief Information Security Officer and, if possible, applications and devices providing access to technical resources must technically enforce them. Faculty, staff, vendors, and students must adhere to the standards for all systems and applications that come into contact with University technical resources.

Systems That Cannot Comply with Minimum Standards

If the minimum standards cannot be met, the system must be protected by other means, such as, but not limited to, a dedicated firewall, limited network access or multi-factor authentication. These mitigating controls need to be documented and forwarded to the Chief Information Security Officer for recording and audit purposes.

Remedies

The University reserves the right to

- suspend access to preserve the confidentiality, integrity, and availability of the network, systems or information
- periodically audit passwords for compliance
- pursue disciplinary action because of non-compliance

Username Standards

The current policy for university employees is to create the user ID from a combination of the user’s first initial concatenated with their last name. If the user name already exists we add a number.
Example:

John Smith
Username: jsmith@nova.edu
(The second John Smith to be setup would be setup as jsmith1@nova.edu.)
The current policy for university students is to create the user ID from a combination of the user's first name initial, last name first initial, and system generated random numerals.

Example:

Mary Jones
Username: mj247@nova.edu

Username and Email Address
Note: The university email address must be formatted the same as the username, so in the case of user John Smith with username jsmith, the resulting email address would be jsmith@nova.edu.

Minimum Password Standards for User Accounts
The following standards have been established by the Chief Information Security Officer. Absent a more secure password selection, the minimum baseline password standard for users and owners of systems utilized by the University is as follows:

• Passwords chosen must be a minimum of eight characters in length.
• From the following four different subsets of character classifications, pick at least one character, from at least three of the different subsets.
  – uppercase letter (A-Z)
  – lowercase letter (a-z)
  – digit (0-9)
  – special character (~`!@#$%^&*()+=_-\{\}\ | ;:"'<>.,)
(A password example for a user account could be: one upper case character, one digit character, one special character, and five or more additional characters of your choice.)
• be private
• passwords chosen must not
  – contain a common proper name, login ID, email address, initials, first, middle or last name
• each password chosen is new and different

Nova Southeastern University will also enforce the following system parameters to ensure more secure controls:
• maximum password age—365 days
• minimum password age—one day (meaning that the user will not be able to change the new password they choose on their own for at least one day after the change is made)
• remembered passwords (History)—three (meaning that the user will not be able to use the last three passwords that they have used previous to the current password)

Passwords for user accounts must be changed immediately when a user that had access to that account is no longer with NSU.
Minimum Password Standards for Generic and Service Accounts

The following standards have been established by the Chief Information Security Officer. Absent a more secure password selection, the minimum baseline password standard for generic user accounts and service accounts (service accounts are typically used to start services on servers and other devices) is as follows:

- passwords chosen must be a minimum of 15 characters in length
- from the following four different subsets of character classifications, pick at least one character, from at least three of the different subsets.
  - uppercase letter (A-Z)
  - lowercase letter (a-z)
  - digit (0-9)
  - special character (~`!@#$%^&*()+=_-{}\:"'<,.)

(A password example for a generic or service account could be: one upper case character, one digit character, one special character, and 12 or more additional characters of your choice.)
- be private
- passwords chosen must not
  - contain a common proper name, login ID, email address, initials, first, middle or last name
- each password chosen is new and different

Nova Southeastern University will also enforce the following system parameters to ensure more secure controls:
- maximum password age—365 days.
- minimum password age—one day (meaning that the user will not be able to change the new password they choose on their own for at least one day after the change is made)
- remembered passwords (History)—three (meaning that the user will not be able to use the last three passwords that they have used previous to the current password)

Passwords for generic and service accounts must be changed immediately when a user that had access to that account is no longer with NSU.

Account Lockout

An account lockout policy disables a user account if an incorrect password is entered a specified number of times over a specified period. These policy settings help to prevent attackers from guessing users’ passwords, and they decrease the likelihood of successful attacks on the network.

Accounts that are logged into more than five times incorrectly (using the wrong username and password combination) will be locked out for a period of 15 minutes after which they will automatically be unlocked and available for use again.

Security Notification

If an account or password is suspected of having been compromised, report the incident to NSU IT Security at (954) 262-4643 or via email at and change the password(s) immediately.
Security Auditing
Password auditing may be performed on a periodic or random basis by NSU IT Security staff or its delegates. If a password is determined to be too weak during one of these scans, the user will be notified by IT Security and required to change it immediately.

Pass phrases
Pass phrases are not the same as passwords. A pass phrase is a longer version of a password and is, therefore, usually more secure. A pass phrase is typically composed of multiple words. Because of this, a pass phrase is usually more secure against attacks by hackers and malware.

An example of a good pass phrase: “MaryH4daL1ttleLamb!”, or the phrase “I love to play badminton” could become I1Lu2V2PlayB@dmInt@n

All of the rules above that apply to passwords apply to pass phrases

Electronic Mail Communications
NSU requires students and faculty and staff members to hold and maintain one official university computer account that is used to access major computing resources, including electronic mail. These university-assigned computer accounts correspond directly to NSU email addresses (see below). All official electronic mail communications directed to NSU students and faculty and staff members will be sent exclusively to NSU-assigned computer accounts to ensure timely and accurate delivery information. All email communications between students and faculty, staff, and administration must be sent from the student’s official NSU email account to the official NSU email account of the member of the faculty, staff, or administration. NSU students may forward their NSU generated email to external locations, but do so at their own risk.

Relationship between NSU computer account and email address:
If your assigned computer account name is janedoe
Your email address will be janedoe@nova.edu

After 9/2016, your email address will be janedoe@Sharkmail.nova.edu

Note: A computer account may also be referred to as an email name or a username.

Webpages—Use of Material
The following policy is also available at copyright.nova.edu.
You should assume that materials you find on the web are copyrighted unless a disclaimer or waiver is expressly stated. You may not place any materials owned by others (i.e., copyrighted works) on your webpages(s) without the expressed permission of the copyright owner (examples: graphic images from other webpages, articles, video, audio, photographs, software, or images scanned from published works). You may include short quotations of text provided you identify in an obvious way (e.g., in a footnote) the author and the work from which the quotation is taken. If you want to include something from another webpage in one of your webpages, then link to it rather than copy it. The occurrence of plagiarism on your webpage is subject to the same sanctions as apply to plagiarism in any other media. Images in the NSU graphics repository may be used on webpages without permission. Clip art images provided with licensed software may be used if permitted in the license agreement for such software. You may not place any pictures or videos of people on a webpage without the expressed permission of the people in the picture or video. Every person has the right to privacy, which includes the right to restrict the use of his/her own image. In addition, the picture or video may be protected by copyright.
If you have received formal permission to use material owned by another, place the following notice on the page that contains the copied material: Copyright 2005 by (name of the copyright owner). Used with permission.

Although a copyright notice is not required to assert your rights to your own original material, you may want to include a minimal notice of copyright in a webpage footer when appropriate. When used, the copyright notice should appear as follows:

- **Webpages:**
  
  Copyright 2005 (your name). All rights reserved.

- **Organization webpages (examples):**
  
  Copyright 2005 Cornell Law Review. All Rights Reserved.
  
  Copyright 2005 Nova Southeastern University. All Rights Reserved.

3. Faculty/administrator-related: Faculty Policy Manual
4. Staff-related: Employee Handbook

**Consensual Relations Between Faculty Members and Students**

At Nova Southeastern University, romantic and sexual relationships between a faculty member and a student are subject to the prohibition against sexual harassment.

Romantic or sexual relationships between a faculty member and a student then enrolled in the faculty member’s class (including supervised student activities for which academic credit is given) may appear to be coercive, and are prohibited. Even when no coercion is present, such relationships create an appearance of impropriety and favoritism, which can impair the academic experience of all students in that class. It is, therefore, improper conduct and prohibited for a faculty member to engage in a romantic or sexual relationship with a student then enrolled in the faculty member’s class.

**Contracting on Behalf of the University**

Unless specifically authorized by the appropriate university authority, students may not contract on behalf of the university. Students who attempt to, or enter into, a contract on behalf of the university without proper authorization, are subject to disciplinary action that will result in a hold being placed on university records and transcripts until restitution is made, as well as such other sanctions as may be appropriate. Any contract entered into on behalf of the university by a student without proper authorization is void.

**Disabilities**

Nova Southeastern University complies with Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act (ADA) of 1990. No qualified individual with a disability shall be excluded from participation in, be denied the benefits of, or be subjected to discrimination in any activity, service, or program of the university solely by reason of his or her disability. Each qualified individual with a disability who meets the academic and technical standards required to enroll in
and participate in Nova Southeastern University’s programs shall be provided with equal access to educational programs in the most integrated setting appropriate to that person’s needs through reasonable accommodation.

At the postsecondary level, it is the student’s responsibility to initiate the process for disability services. The process for obtaining a reasonable accommodation is an interactive one that begins with the student’s disclosure of disability and a request for a reasonable accommodation. The student has the responsibility to provide Nova Southeastern University with proper documentation of disability from a qualified physician or clinician who diagnoses disabilities and sets forth the recommended accommodations.

Student requests for accommodation will be considered on an individual basis. Each student with a disability should contact the Office of Student Disability Services prior to the commencement of classes to discuss his or her needs. Contact:

Academic Accommodation(s) Process
Requests for accommodation must be made in writing to the Office of Student Disability Services and must be supported by appropriate documentation of recent medical, psychological, or educational assessment data administered and evaluated by a qualified professional. Detailed information on how to register for disability accommodations is available at nova.edu/disabilityservices. If the student disagrees with the accommodation(s) proposed by the Office of Student Disability Services, he or she may appeal the decision to the university’s Academic Accommodation Appellate Committee, chaired by the associate dean of student affairs. The student will be given the opportunity to present his or her appeal in an appearance before the committee. The committee will also review all relevant documents submitted with the written appeal before rendering a decision. The student will be notified in writing of the committee’s decision within a reasonable amount of time of the hearing. The decision of the university’s Academic Accommodation Appellate Committee is final and binding upon the student without further appeal.

Academic Accommodation Appellate Committee Guidelines
1. Upon receipt of a notice of appeal, the associate dean of student affairs shall schedule a meeting of the committee at a time and place convenient to the student and to the committee members.
2. The student shall have the opportunity to present relevant documents for review by the committee.
3. The student shall be given the opportunity to personally meet with the committee and to present his or her appeal.
4. Proceedings of the committee shall be kept in strict confidence.

The following are prohibited in all committee meetings:
• any recording of the meeting, except official minutes
• legal counsel
• uninvited guests
In reaching its decision, the committee may consult with recognized experts in the field of disabilities and/or organizations such as the Association on Higher Education and Disability. The student shall be notified in writing of the decision of the committee within a reasonable amount of time of the committee meeting. All decisions of the committee are final and binding on the student without further appeal.

**Facility and Grounds Accommodation(s) Process**

Students requesting an accommodation involving modification to a facility or the grounds of the university must meet with the director of the Office of Student Disability Services, Jennifer Wilson, to discuss their specific needs. Requests for accommodation must be made in writing to the director and be supported by the appropriate documentation of recent medical, psychological, or educational assessment data administered and evaluated by a qualified professional. Requests for an accommodation involving modification to a facility or grounds of the university will be considered on an individual basis. When considering the request, the director will consult with the director of the specific facility (e.g., residential life and housing) involved in the request for accommodation and the director of facilities management.

If the student disagrees with the facility or grounds accommodation proposed by the director, he or she may appeal the decision in writing to the Facility and Grounds Accommodation Appellate Committee, chaired by the associate dean of student affairs. The student will be given the opportunity to present his or her appeal in an appearance before the committee. The committee will review all relevant documents submitted with the written appeal before rendering a decision. The student will be notified in writing of the committee’s decision within a reasonable amount of time of the hearing. The decision of the university’s Facility and Grounds Accommodation Appellate Committee is final and binding upon the student without further appeal.

**Facility and Grounds Accommodation Appellate Committee Guidelines**

1. Upon receipt of a notice of appeal, the associate dean of student affairs shall schedule a meeting of the committee at a time and place convenient to the student and to the committee members.
2. The student shall have the opportunity to present relevant documents for review by the committee.
3. The student shall be given the opportunity to personally meet with the committee and to present his or her appeal.
4. Proceedings of the committee shall be kept in strict confidence.

The following are prohibited in all committee meetings:

- any recording of the meetings except official minutes
- legal council
- uninvited guests

In reaching its decision, the committee may consult with recognized experts in the field of disabilities and/or organizations such as the Association on Higher Education and Disability. The student shall be notified in writing of the decision of the committee within a reasonable amount of time of the committee meeting. All decisions of the committee are final and binding on the student without further appeal.
Disability Discrimination

Disability discrimination can occur whenever a qualified individual with a disability is denied the same equal opportunities as other university students, faculty, and staff because of their disability status.

Under applicable disability laws, an individual with a disability is a person who (1) has a physical or mental impairment that substantially limits one or more major life activities; (2) has a record of such an impairment; or (3) is regarded as having such an impairment. Temporary, nonchronic impairments that do not last for a long time and that have little or no long-term impact usually are not disabilities. The determination of whether an impairment is a disability is made on a case-by-case basis.

A. What Is a “Major Life Activity” Under the Law?
To be considered a person with a disability, the impairment must substantially limit one or more major life activities. Examples of major life activities include walking, speaking, breathing, performing manual tasks, seeing, hearing, learning, and caring for oneself.

B. What Does “Qualified” Mean?
To be protected, a person must not only be an individual with a disability, but must be qualified. For students, a qualified individual with a disability is a person who, with or without reasonable modifications to rules, policies, or practices; the removal of architectural, communication, or transportation barriers; or the provision of auxiliary aids or services, meets the essential requirements for the receipt of services or participation in programs or activities provided by the university.

For university employees, a qualified individual with a disability is a person who satisfies the requisite skill, experience, education, and other job-related requirements of the employment position and who, with or without a reasonable accommodation, can perform the essential functions of the position.

C. Disability Harassment
Harassment on the basis of an actual or perceived disability is also a form of prohibited discrimination. Disability harassment consists of unwelcome verbal, written, or physical conduct based on disability when

1. such conduct has the purpose or effect of unreasonably interfering with the individual’s work or educational performance;
2. such conduct creates or has the intention of creating an intimidating, hostile, or offensive working and/or learning environment; or
3. such conduct unreasonably interferes with or limits one’s ability to participate in or benefit from an educational program or activity.

D. Hostile Environment
The university will not tolerate the creation or existence of an environment that is hostile on the basis of disability as detailed in the NSU Nondiscrimination Statement. Such a hostile environment is defined as harassing conduct (e.g., physical, verbal, graphic, or written) related to an individual’s disability that is sufficiently severe, pervasive, or persistent so as (1) to interfere with or limit the ability of an individual to participate in or benefit from the university’s programs and activities or (2) to unreasonably interfere with an individual’s work or academic performance by creating an objectively intimidating, hostile, or offensive work or learning environment. Whether the harassing conduct is considered severe, persistent, or pervasive depends upon the context in which the behavior occurred.
Disability Discrimination Grievance Procedures

A. Filing a Complaint

A formal complaint is one way of initiating a full, formal investigation. A formal complaint must be written and must provide detailed allegations of the alleged disability discrimination. The purpose of this policy is to provide for the prompt, adequate, and impartial investigation of all complaints of disability discrimination and/or disability-based harassment.

The following person has been designated to handle inquiries and complaints by students regarding perceived disability discrimination:

Alexis Martinez
Assistant Dean for Student Development
(954) 262-7281 • amartinez1@nova.edu

The assistant dean for student development will be responsible for coordinating the investigation and making a determination as to any potential behaviors/activities which may violate the university’s disability discrimination/harassment policies.

Any complaint relating to disability harassment or discrimination made by a student against faculty members, staff, or other NSU employees may be referred to the NSU Office of Human Resources (OHR) where appropriate, at the discretion of the assistant dean for student development. Any complaints referred to the NSU Office of Human Resources will be investigated and processed to conclusion by OHR in accordance with the policies contained in the Faculty Policy Manual or Employee Policy Manual and the grievance procedures contained therein.

Any complaint relating to a disability accommodation decision must be filed in accordance with the policies set forth in the NSU Student Handbook relating to such decisions. Additional information can be found on the NSU Office of Student Disability Services website, nova.edu/disabilityservices.

B. Referral or Dismissal of Reports

Some complaints may not actually fall within the definition of discrimination set forth by university policy or otherwise may be more appropriately handled by other offices. These reports will be dismissed or referred to other offices as appropriate.

C. Initial Processing of Student Complaints by the Assistant Dean for Student Development

Upon filing of a formal complaint with the assistant dean for student development, an investigator will be appointed from the appropriate university college/office/department, who will meet with the complainant within five (5) business days to document the allegations, based on the written complaint and any other information gathered. The allegations made by the complainant will be the basis for the investigation.

D. Informal/Early Resolution of Student Complaints

The university may attempt to resolve matters through mediation or other alternative resolution, when appropriate. Mediation will not be used for reports of extreme forms of disability discrimination or harassment. In mediation, the investigator or an assigned individual typically meets with the reporting party and the respondent—separately and/or together—to seek an acceptable resolution. Any informal resolution may be made only with the agreement of all affected parties.

If alternative resolution is unsuccessful, the matter will proceed to investigation.
E. Investigation Process of Student Complaints Processed by the Assistant Dean for Student Development

Grievance investigations are objective, fact-finding inquiries. The purpose of the investigation is to gather facts relating to the allegations made by the complainant and to enable the assistant dean for student development to decide whether NSU policy has been violated.

• The investigation will include interviews with the complainant, respondent, and any other witnesses deemed to potentially have relevant information. Both complainant and respondent may identify witnesses who can provide information relevant to the allegations, but the investigator determines which witnesses will be interviewed.

• The investigation may include written statements, interviews, document requests, and any other sources the investigator deems appropriate. The complainant and respondent are permitted to provide the investigator with evidence.

• The investigator will provide the respondent with written notice of the allegations, if appropriate, and allow the respondent five (5) business days to respond, in writing.

• Investigations may be expanded to address additional allegations that surface during the investigation, at the investigator’s discretion. If appropriate, the respondent will be provided with written notice of any such additional allegations. The respondent will be given the opportunity to respond to the additional allegations.

• The investigator typically will complete the investigation within ninety (90) calendar days of the date the report was filed. Should additional time be required to complete the investigation, the investigator will provide written notification to the parties detailing the reason(s) additional time is necessary.

• Parties and witnesses are expected to speak for themselves during the investigation; attorneys are not permitted to be present during university interviews or meetings in the course of an investigation or resolution of a report.

F. Investigation Completion of Student Complaints Processed by the Assistant Dean for Student Development

At the conclusion of the investigation, the investigator(s) will prepare a written report. The report typically will summarize the allegations investigated and describe the relevant information discovered and factual findings made, including whether any allegations were substantiated, and the basis for such findings, which may include credibility, as determined in the investigator’s judgment. The report will not make findings as to whether there has been a violation of law or university policy. The investigator will indicate any facts or allegations in dispute, and present his or her conclusions (if any) about such facts, including the basis for such conclusions (e.g., whether an allegation was corroborated by witnesses, or whether the investigator found one version of events more credible than another).

The investigator will provide the investigation report, the written complaint, the response, and any other information deemed necessary to the assistant dean for student development. The assistant dean for student development will make a determination of whether or not a policy violation occurred, within ten (10) business days of receipt of the investigation report. (See Section G below for a description of the possible determinations.)
G. Determinations by the Assistant Dean for Student Development
The following is a description of the potential determinations made by the assistant dean for student development upon the conclusion of the investigation process.

1. Determination of No Violation of University Discrimination Policy by the Assistant Dean for Student Development
If the assistant dean for student development determines that a violation of the university’s discrimination policy has not been shown, all parties will be so informed and the matter closed. The assistant dean for student development will provide the complainant with an explanation of the key findings on which the determination is based.

If the investigation reveals evidence or allegations of violations of other university policies or other misconduct by the respondent or other parties, the investigator will present, typically in a separate report, such evidence or allegations to the assistant dean for student development to pursue as deemed appropriate.

2. Determination of Violation of the University’s Discrimination Policy by the Assistant Dean for Student Development
If the assistant dean for student development determines that there was a violation of NSU policy, he or she will inform the respondent of such determination, along with the findings upon which the determination is based. The respondent will be given the opportunity to respond to the determination in writing. Any response must be received by the assistant dean for student development within five (5) business days of the determination.

The assistant dean for student development will consider any such response, and may modify his or her determination if appropriate. If it is determined that a violation of NSU policy has occurred, appropriate disciplinary action will be taken in accordance with published policies.

H. Notification of Outcome by the Assistant Dean for Student Development
After a final determination is made, the assistant dean for student development will contemporaneously provide written notification to the complainant and respondent informing them that the investigation is complete and whether a violation of university policy was determined to have occurred.

1. Notification to Complainant
If a violation of university policy was determined to have occurred, the notification will include assurances that appropriate corrective action will be taken and advise the complainant to immediately report any conduct that he or she believes was/is retaliatory.

2. Notification to Respondent
If a violation of university policy was determined to have occurred, the notification will detail the disciplinary action to be taken and advise that retaliation will not be tolerated and any such behavior could potentially subject anyone engaged in retaliation to additional disciplinary action. The notification will also detail the policies and procedures associated with appealing the decision.

I. Appeals
Under certain circumstances and depending on their status as a student, employee, or faculty member, parties may have the right to an appeal within the university.

An appeal of disciplinary action taken against a student by the assistant dean for student development must be made in writing to the vice president of student affairs within five business days of the receipt
of the written notification of outcome. In appealing a disciplinary decision, the appeal must fall into one of the following categories:

1. The student has new evidence that was not available prior to the original proceeding.
2. The disciplinary process was not adhered to during the student’s proceeding.
3. The sanction(s) do not relate appropriately to the violation.

A written decision will be provided by the vice president of student affairs or his or her designee within a reasonable amount of time from receipt of the appeal request.

The decision of the vice president of student affairs or his or her designee will be final. If the complainant is suspended, dismissed, or expelled from the university, the assistant dean for student development sends written notification of the action to the dean of the student’s academic program and appropriate university administrative offices.

An appeal of disciplinary action taken against an employee will be conducted in accordance with the NSU Employee Policy Manual or Faculty Policy Manual, if available.

J. Remediating Disability Discrimination

Disability discrimination and/or harassment are not tolerated at NSU. The university is committed to taking necessary remedial steps that are designed to stop the discrimination, correct its effects, and ensure that the discrimination does not recur. Such actions may or may not be the action that the reporting party requests or prefers. Steps may be specific to the parties involved or may be aimed at a broader group. Typical steps range from counseling (which may be either remedial counseling for the respondent, or supportive counseling for the reporting party) or training or separation of the parties, to discipline of the respondent, including a written warning, probation, suspension, demotion, transfer, expulsion, or termination for cause. The appropriate discipline will depend on the nature and severity of the conduct, the respondent’s overall record, the applicable policy on discipline, and other factors, where relevant.

K. Retaliation

The law prohibits retaliation against an individual for opposing any practices forbidden under this policy, for bringing a complaint of discrimination or harassment, for assisting someone with such a complaint, for attempting to stop such discrimination or harassment, or for participating in any manner in any investigation or resolution of a complaint of discrimination or harassment. NSU will immediately investigate and remedy (if appropriate) any reported retaliatory actions taken by the respondent or other individuals.

Drug-Free Schools and Campuses

In order to comply with the Drug-Free Schools and Communities Act (Pub. L. No. 101-226, Title 34 C. F. R., part 86), Nova Southeastern University has adopted the following policy for all workplace, school, campus, and field-based programs.

The unlawful manufacture, distribution, dispensation, possession, or use of illicit drugs and the abuse of alcohol are prohibited in and on property owned or controlled by Nova Southeastern University and as a part of any of its activities.

The term “illicit drugs” refers to all illegal drugs, and to legal drugs obtained or used without a physician’s order. This policy does not prohibit the use of prescribed medication under the direction of a physician. No Nova Southeastern University student or employee is to report to work or school while under the influence of illicit drugs or alcohol. Possession of paraphernalia for illegal drug use, or taking a prescription that does not belong to you, are also prohibited.
There are serious health risks associated with the abuse of drugs and alcohol. If you, a fellow student, teacher, or coworker has a problem with abuse of drugs and/or alcohol, help can be provided at the following locations:

**NSU Programs**
NSU Student Counseling Services are available to all NSU students. For information, please call (954) 424-6911.

**Community Programs**
Department of Children and Families
Substance Abuse Program Office
1317 Winewood Boulevard, Bldg. 6, Third Floor
Tallahassee, Florida 32399-0700

Alcoholics Anonymous: (954) 462-0265
Narcotics Anonymous: (954) 476-9297

When a student uses or deals in drugs, he or she also risks incarceration and/or fines. In addition to the federal sanctions, Florida state statutes provide sanctions in regard to the use, possession, and/or sale of illicit drugs and the abuse of alcohol. Punishment varies depending on the amount and type of drugs and/or alcohol involved. Felony convictions range from one year to life imprisonment. Possession of not more than 20 grams of cannabis is punishable as a misdemeanor of the first degree. Punishment for misdemeanors ranges from less than 60 days to one-year imprisonment.

Under Sec. 893.13, Florida Statutes: It is unlawful for any person to sell, manufacture, deliver, or possess with intent to sell, manufacture, or deliver a controlled substance. Violation of this statute is a felony and is punishable under Chapter 775 of the Florida Statutes.

Under Sec. 893.13 (1) (c), Florida Statutes: It is unlawful for any person to sell, manufacture, deliver, or possess with the intent to sell, manufacture, or deliver a controlled substance in, on, or within 1,000 feet of a public or private elementary, middle, or secondary school. Punishment for a violation of this statute may include a minimum three-year imprisonment.

Under Sec. 316.1936, Florida Statutes: It is unlawful for any person to possess an open container of an alcoholic beverage or consume an alcoholic beverage while operating a vehicle in the state or while a passenger in or on a vehicle being operated in the state. Violation of this law will result in a noncriminal moving traffic violation, punishable as provided in Chapter 318 of the Florida Statutes, with fines and points on a driving record leading to driver's license suspension.

Under Sec. 316.193, Florida Statutes: A person is guilty of driving under the influence (DUI) if such a person is driving or in actual physical control of a vehicle within the state and the person is under the influence of alcoholic beverages or any controlled substance when affected to the extent that his or her normal faculties are impaired or the person has a blood alcohol level or breath alcohol level of .08 percent or higher. Criminal penalties for DUI include, but are not limited to, fines and incarceration.

By applying for a driver's license and accepting and using a driver's license, a person holding the driver's license is deemed to have expressed consent to submit to breath, blood, and urine tests for alcohol, chemical substances, or controlled substances.

Any Nova Southeastern University student determined to have violated this policy will be subject to referral for prosecution by the appropriate authorities. Other sanctions include evaluation/treatment for drug-use disorder, which may include mandatory completion of a drug/alcohol abuse rehabilitation program, and/or other university sanctioning, which may include expulsion.

All Nova Southeastern University students will, as a condition of their enrollment, abide by the terms of this policy.
Drug Policy—Zero Tolerance
Any student found in violation of the drug-free schools and campuses policy with regard to the unlawful manufacture, distribution, dispensation, possession, or use of illicit drugs or alcohol will face serious university disciplinary action, which may include expulsion from the university.

Emergency Situations
To report an on-campus emergency situation from an on-campus phone, contact the police at 9-911 and public safety at extension 28999. If calling from off campus, dial the police at 911 and public safety at (954) 262-8999.

Failure to Comply
All students and guests of NSU are expected to comply with the directives or reasonable requests of university officials acting in the performance of their duties. This requirement includes reasonable requests for students to meet appointments in administrative offices; participation in administration and/or judicial proceedings; and the compliance by the stated deadline with all the terms and conditions of all disciplinary sanctions. Administrative discretion may be used to place a hold on a student’s account (registration, grades, etc.) if the student fails to comply with the directions of a university official.

False Information
Providing false or misleading information to the university or a university official, or to a local, state, or national agency or official is a violation of the Code of Student Conduct and Academic Responsibility subjecting a student to disciplinary action up to and including expulsion or rescission.

Falsification of Records
Falsification of university records is prohibited. University records include, but are not limited to, admission, enrollment, registration, financial aid, student disciplinary, academic, health records, parking decals/hang tags and student employment records.
Inappropriate conduct and violations of this policy will be addressed by the appropriate procedures and agents (e.g., the Office of the Vice President for Academic Affairs or the Office of Human Resources) depending on the individual’s affiliation with the university. In cases where a student violates any of the terms of this policy, the university will take appropriate disciplinary actions, up to and including expulsion.

Fire Safety
Unnecessarily setting off a fire alarm; unnecessarily tampering with fire hoses, extinguishers, exit signs, and alarm equipment; or blocking fire exits and other means of impeding traffic may result in immediate university disciplinary action and criminal prosecution. Failure to evacuate any building on campus during a fire alarm is also prohibited.

Fraud
Any act or statement (written or oral) containing false, incomplete, or misleading information intended to deceive or misrepresent any agency of the university or any person or business is prohibited.
Gambling
Gambling may include, but is not limited to, wagering on or selling pools on any athletic or other event; possessing on one's person, premises (e.g., rooms, residence unit, car), or in a computer account or electronic format, any card, book, or other device for registering bets; knowingly using or permitting the use of one's premises or one's telephone or other electronic communication device for illegal gambling; knowingly receiving or delivering a letter, package, or parcel or electronic or telephonic communication related to illegal gambling; or playing or engaging in any game, at any place, by any device whatever for money or other thing of value. Students found in violation of the prohibition against gambling may be subject to disciplinary action up to and including dismissal.

Grievance Procedures for Nonacademic Disputes
Except for grievances and/or complaints involving sexual misconduct and discrimination, this process should be followed for all nonacademic grievances of policies/procedures that are not governed by a specific academic center, program, college, or school. Academic grievances should be referred to the student's academic center. The purpose of these grievance procedures is to promote the orderly resolution of problems arising out of a student complaint concerning a policy, procedure, or administrative action of Nova Southeastern University. Grievances can often be adversarial, unpleasant, and unsatisfying, so we recommend that students discuss problems before resorting to the formal grievance steps. When formal grievance steps are perceived as necessary, students have a right to a fair process and hearing without retribution.

1. First, the student should attempt to resolve an issue in dispute at the level at which the dispute occurred. This attempt must be in writing (i.e., email, regular mail, or fax). The student may wish to use certified mail to verify receipt of the correspondence. In the correspondence, the student must present a rationale for his or her position based on factual information.

2. The student will receive a reply, in writing, which addresses the complaint.

3. If the reply is not acceptable, the student is encouraged to submit the complaint in writing to the associate dean of student affairs. The associate dean of student affairs will attempt to resolve the dispute.

4. If the associate dean is unable to resolve the dispute, he or she will notify the student and the vice president of student affairs in writing.

5. The student may then appeal in writing to the vice president of student affairs.

6. The vice president will investigate and review the findings, and will notify the student in writing of his or her decision.

7. The vice president’s decision is final and binding and cannot be appealed.

Guests
Students are welcome to bring guests to the campus, but must assume responsibility for the conduct of their guests and must accompany them at all times. If a guest is asked to leave a specific area of campus, it is the responsibility of the student host to cooperate with the university official making the request. The university reserves the right to exclude all guests from any area on campus in times of impending or actual crises or emergencies, such as hurricanes, campus disruptions, or bomb threats, and to exclude any guest(s) from any area of the campus for any reason the university deems appropriate.
Harassment Statement

Harassment is defined as any conduct (words or acts)—whether intentional or unintentional—or a product of disregard for the safety, rights, or welfare of others, which causes physical, verbal, or emotional harm. It is any conduct that intimidates, degrades, demeans, threatens, hazes, or otherwise interferes with another person’s rights to comfort and right to be free from a hostile environment. This includes, but is not limited to, loud or aggressive behavior; behavior that disrupts the orderly functioning of the university; behavior that disturbs the peace and/or comfort of person(s) on the campus of the university; and behavior that creates an intimidating, hostile, or offensive environment. It also includes any conduct (words or acts) in which the university can determine a threat exists to the educational process or to the health or safety of a member of the NSU community.

Health Policies

Communicable Diseases Guidelines

It is the intent of the university to protect students from communicable diseases that pose reasonable risk of harm to members of the university community. It is also the intent of the university to protect the rights of those infected with a communicable disease. Students who do become infected with a communicable disease must report the contracting of the disease to their program dean and the associate dean of student affairs and are subject to the guidelines listed below. The university will be flexible in its response to incidents of communicable diseases, evaluating each occurrence in light of this policy and current available medical information.

• NSU will make available to the university community detailed information concerning the transmissibility of communicable diseases and precautions that can be taken to prevent the spread of various communicable diseases.

• Infected students can continue to study and work as long as they are able to continue to perform regular responsibilities satisfactorily, and as long as the best available medical evidence indicates that their continual status does not present a health or safety threat to themselves or others.

• An infected student returning to school after a leave of absence for reasons related to a communicable disease must provide a statement from the treating physician indicating current medical status. Students should submit their statement to their program dean or appropriate designee based on the policies of their respective college, school, or center, and the associate dean of students.

• Within reason, the university will make accommodations to the infected person, whenever possible, to ensure continuity in the classroom.

• No infected student may be dismissed from the university solely on the basis of a diagnosis of an infection of a contagious disease. A decision to dismiss or discharge will only be made after reasonable accommodation has been attempted, and an examination of facts demonstrates that the infected person can no longer perform essential requirements of the position or program, with or without a reasonable accommodation, or poses a reasonable threat to the health and safety of others.

In the event that a student has a concern about the potential for the spread of a communicable disease within the university community, those concerns should be brought to the Office of the Vice President of Student Affairs for review consistent with the current available information on the spread of the particular communicable disease. After review and evaluation of the concerns, if there appears to be a reasonable likelihood of the spread of the disease within the university community by an infected person, the Office of the Vice President of Student Affairs will, after notification of the issues presented to the university president, contact the Centers for Disease Control and Prevention and/or Broward Health Department for recommendations of appropriate action consistent with state law.

Student Health Insurance
Nova Southeastern University requires all undergraduate day students, residential on campus students, and most Health Professions Division students to maintain adequate health insurance. Information about the NSU student insurance policy can be obtained by accessing the website at nova.edu/bursar/health-insurance.

Students who are required to have insurance by their academic program, or living on campus, will automatically be enrolled and will see a charge for health insurance on their student account. Students who already have health insurance coverage and do not need the NSU-endorsed insurance plan must **opt out each year**. The charges will be removed from your account once proof of comparable coverage has been submitted and approved. To do this, please complete an online waiver form at novastudentinsurance.com. Click on waiver out.

Students who have health care coverage from commercial carriers or the marketplace health care exchanges from other states should check to verify comprehensive health care coverage in the regions of Florida where you will be attending classes or practicum rotations.

Students who fail to complete the waiver form and provide proof of comparable health insurance coverage by the stated deadline will not be eligible to have charges removed, will continue to be enrolled in the NSU student insurance plan endorsed by NSU, and will be **financially responsible for payment** of those premiums. The waivers must be completed every academic year by the published deadline.

If you have any questions, please contact the student health insurance department at (844) 990-1800, (954) 262-4060, or studenthealth@nova.edu. In addition, you may contact our student health insurance servicer, Academic Insurance Solutions (AIS), at 1-888-776-9920 or (813) 944-3939.

Hoverboards
Due to safety concerns raised by the Consumer Product Safety Commission regarding Hoverboards—and the potential detrimental impact to the safety of our campuses—the operation, storing, and use of hoverboards is prohibited on all NSU campuses and sites and at all university facilities. Those in violation of this policy may be subject to disciplinary action.

Hurricane and Severe Weather Procedures
Detailed information and procedures for hurricanes and severe weather is available in the Nova Southeastern University Campus Safety Handbook at nova.edu/publicsafety/forms/campus_safety_handbook.pdf.

Identification Cards
The SharkCard is the official Nova Southeastern University identification card. All students and faculty and staff members affiliated with the university are required to carry the SharkCard at all times while on campus and to present their identification cards when requested by authorized university personnel. The SharkCard features a digitized photo, biometrics, SmartChip, and magnetic stripe.

The SharkCard is Nova Southeastern University's single-card program that combines a multitude of features and uses, including the following:
• building access
This high-tech card has two embedded antennas that will allow access to various areas around campus, from parking garages to computer labs.

The biometrics is stored on the internal SmartChip and used to calculate time and attendance for both students and staff members. The magnetic stripe allows users to add funds in increments of $1, $5, $10, or $20, to an online account that can be used for copying, printing, vending machines, and much more. You are able to add money at the NSU Card Office, as well as at Cash to Card Value stations that are available in various locations throughout the Fort Lauderdale/Davie Campus and on the first and second floor of the Alvin Sherman Library, Research, and Information Technology Center. You can also add money sharkfunds.nova.edu using a credit or debit card.

The NSU Card Office is located in the Horvitz Administration Building in the One-Stop Shop, and there is also an HPD Card Office located in the Terry Building, room 1134. Please visit nova.edu/nsucard for more information.

**Interference with University Investigations and Disciplinary Proceedings**

Interference with university investigations, administrative procedures, or disciplinary proceedings, or judicial proceedings such as those conducted by the Department of Public Safety, Office of the Vice President of Student Affairs, Department of Residential Life, or any other university office authorized to conduct investigations or disciplinary proceedings is prohibited. This includes, but is not limited to, the use of force, threat of force, coercion, or promise of reward to any person or property of persons involved in university investigations or disciplinary proceedings. No person may, without authorization, examine, take possession of, alter, or destroy university investigations or destroy university records or evidence. Interference with university investigations, disciplinary proceedings, or records may result in disciplinary action.

In an effort to foster and provide an environment free from bias or prejudice for the parties involved, publication (verbal or written communication(s)) regarding any university investigatory, administrative, disciplinary, or judicial proceeding is prohibited, if the publication is deemed by the appropriate official overseeing the proceeding to compromise the impartiality and integrity of the proceeding.

Communication related to the proceeding will be limited to identified individuals using administrative discretion on a need-to-know basis.

**International Travel Registration Program**

NSU faculty, students, and staff travel across the globe to teach, conduct research, present at seminars and workshops, attend conferences, and study. The university maintains a central international travel registration program that assists travelers on NSU-related business or study with the assessment of health and safety issues associated with traveling to international destinations, and provides important contact information for services and assistance in the event of an emergency.
As per university policy, all faculty, staff, and students traveling to international destinations on NSU-related trips are required to complete the NSU Travel Registration process. Register at nova.edu/internationalaffairs/travelreg.

The travel office provides basic travel services for students, faculty members, and staff members. Please visit the travel office website for a current listing of NSU discounts with airline, car rental companies, and hotels at nova.edu/cwis/bsv/travel.

**Jurisdiction of University Policies and Procedures**

Students must adhere to NSU policies and procedures on the Fort Lauderdale/Davie Campus; at any other NSU site; or while participating in any university-sponsored program, event, or activity.

**Lake Swimming**

Swimming in any lake, canal, and/or body of water on the Nova Southeastern University campus or being in the shark fountain is strictly prohibited and any violations of this policy will be subject to disciplinary action.

**Life-Threatening Behavior**

Nova Southeastern University recognizes that certain life-threatening behavior (e.g., suicide threats, gestures, or attempts; eating disorders; substance abuse; threats, gestures, or attempts to harm others) is a sign of personal distress. The university is committed to helping students alleviate whatever stress factors are precipitating life-threatening behavior by providing support and/or referral through use of appropriate resources. However, since it is critically important to maintain civility and respect for all members of the university community, it is recognized that action must be taken when such behavior is considered by the university to be disruptive to and unacceptable in the academic and social/living environment.

**Littering/Projecting Objects**

Students may not throw, discard, place, or deposit litter or project objects from university buildings or on university grounds except in receptacles provided for such purposes.

**Misuse of Telephones**

NSU students who misuse telephone lines or university accounts will be subject to disciplinary action and restitution.

**Noise**

The university noise policy is based on the belief that all students have a responsibility to respect the rights, health, security, and safety of other university and community members. Excessive noise that disturbs the campus environment, unless approved by the Office of the Vice President of Student Affairs or designee for a special event, is not allowed. Students are held responsible for the actions of their guests.
Off-Campus Violations
The university reserves the right to take disciplinary action for violations of the Code of Student Conduct and Academic Responsibility and university policies and procedures, even when they occur off campus or through electronic communications.

Parent/Legal Guardian Notification
University personnel may use administrative discretion in parental or legal guardian notification in writing and/or by phone of a student under 21 years of age when alcohol or drug violations of the university occur or when a student’s health or safety is at issue.

Parking and Traffic Policies
- In order to park a motor vehicle on campus in any university parking area, the vehicle must be registered with the university, and a parking permit must be properly displayed.

- Vehicle repairs that create a nuisance are not permitted on campus. Any property damage caused by the making of any repairs is the responsibility of the person making such repairs.
- Trailers or mobile campers are allowed to be parked on campus only with written permission from the director of public safety.
- The maximum speed on any NSU driveway or roadway excluding those owned and managed by the town of Davie, Broward County, or the state of Florida is 15 miles per hour or less.

Family Educational Rights and Privacy Act (FERPA)

The Family Educational Rights and Privacy Act of 1974 (FERPA) affords a student certain rights with respect to his or her education records. These rights include

- The right to inspect and review the student's education records within 45 days of the day the university receives a request for access. A student should submit to the Office of the University Registrar a written request that identifies the record(s) the student wishes to inspect. The Office of the University Registrar will arrange for access and notify the student of the time and place where the records may be inspected.

- The right to request the amendment of the student's education record that the student believes is inaccurate or misleading. A student who believes that his or her education records contain information that is inaccurate or misleading, or is otherwise in violation of the student's privacy or other rights, may discuss his or her concerns informally with the University Registrar. If the decision is in agreement with the students’ requests, the appropriate records will be amended. If not, the student will be notified within a reasonable period of time that the records will not be amended and will be informed by the Office of the University Registrar of his or her right to a formal hearing.

- The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent. One exception that permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official is a person employed by the university in an administrative, supervisory, academic, research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom the university has contracted (such as an attorney, auditor, collection agent, loan servicing agent, or the National Student Clearinghouse); a person serving on the board of trustees; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate education interest if the school official needs to review an education record in order to fulfill his or her professional responsibility. Upon request, the university may disclose educational records, without consent, to officials of another school in which a student seeks or intends to enroll or is already enrolled, so long as the disclosure is for purposes related to the student's enrollment and transfer.

- The right to file a complaint with the Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue, SW, Washington, D.C., 20202-4605 concerning alleged failures by Nova Southeastern University to comply with the requirements of FERPA.

- telephone numbers
- email address
- major field of study
- participation in sports
- place of birth
- dates of attendance
- degrees, honors, and awards received

Release of Student Information
A student can give consent to permit Nova Southeastern University to discuss and/or release personal identifiable information to a third party such as a spouse, a parent, a guardian, etc. This consent must be provided in writing with the student's signature. To provide a written consent, complete the Authorization for Release of Information form available on the Office of the University Registrar's website at nova.edu/registrar/forms/releaseofinformation.pdf.

A student may also withhold directory information (as defined above) by completing the Request to Prevent Disclosure of Directory Information form. A student is warned, however, that some of the consequences of preventing disclosure of directory information may be undesirable: a student’s name will not be published on the Dean’s List or commencement bulletins, and requests from prospective employers are denied.

Deceased Student Records
Records of a deceased student will be made available to the parent(s), spouse, or executor/executrix of the deceased student and other authorized parties upon written request. The request must include the need for the records; must identify the requestor's relationship to the deceased student; and must be accompanied with an official record certifying authorization to receive the student records, e.g., assignment as executor/executrix. An official copy of the death certificate must accompany the request, if the university does not have prior notice of the student's death. The university reserves the right to deny the request. For further assistance on this matter, students should contact the Office of the University Registrar.

Health Care Privacy (HIPAA) Statement
The Health Insurance Portability and Accountability Act of 1996 (“HIPAA”) requires “covered entities” to abide by the regulations governing the privacy, confidentiality, and security of protected health information, defined as individually identifiable health information created, received, maintained, or transmitted at or by a covered entity, whether such information is electronic, written, or spoken. NSU is considered a “hybrid entity” for purposes of compliance with the HIPAA Privacy and Security Regulations, as NSU’s business activities include both covered and non-covered functions. As such, NSU’s covered health care centers are subject to the requirements of the HIPAA Privacy and Security Regulations, as well as policies implemented by NSU.

Pursuant to the HIPAA Privacy and Security Regulations, each covered NSU health care center is responsible for enacting privacy and security policies and procedures. Thus, the various NSU health care centers that provide patient care in a HIPAA-covered setting have enacted such policies and procedures. All NSU health care center workforce members including—but not limited to—faculty members, employees, and trainees, are responsible for following the policies and procedures implemented by the applicable NSU health care center.

In addition, the HIPAA Regulations require that NSU provide training to its health care center faculty members, employees, and trainees with respect to its HIPAA Privacy, Security, and Research policies and procedures. NSU has developed a comprehensive online education program designed to comply with the HIPAA Regulations and to educate its workforce members and others who use, disclose and/or access protected health information. Applicable NSU health/mental health profession students and trainees will be required to complete the education program coordinated through his or her respective College/School/Academic Program.
Violations of the NSU policies and procedures regarding privacy and security of protected health information will be reported to the appropriate supervising authority for potential disciplinary action, up to and including dismissal in accordance with the applicable College/School/Academic Program policies.

Further, NSU faculty members and students may be subject to the HIPAA privacy and security policies and procedures enacted by various non-NSU health care facilities in which they train. It is the responsibility of the faculty member and student to familiarize himself or herself with such policies and procedures upon entering each facility.

Any questions concerning the HIPAA privacy policies can be directed to the HIPAA Liaison of your NSU health care center, the NSU HIPAA Privacy Officer, or the NSU HIPAA Security Officer.

Public Laws

Students are responsible for compliance with all public laws. Any act that could constitute a violation of public laws will establish cause for legal and/or disciplinary action by the university.

Sexual Misconduct Policy Summary

I. Policy Coverage

The university is committed to adopting a policy and fostering an environment where no individual may threaten the health, safety, and welfare of a member of the university community, including any person on university property or at a university-sponsored or university-supervised activity, through the commission of an act of sexual misconduct. This section is intended to summarize the university's sexual misconduct policy. The complete sexual misconduct policy can be found at nova.edu/studentaffairs/forms/sexual_misconduct_policy.pdf.

For purposes of the policy, sexual misconduct encompasses a range of behaviors that create a hostile environment, including acts of dating violence, sex-based discrimination, domestic violence, intimidation, retaliation, sexual assault (including acquaintance rape), sexual exploitation, sex based stalking and sexual harassment.

The purpose and scope of the sexual misconduct policy is to clearly define the university’s position on and prohibition against any acts of sexual misconduct and to inform the university community of the reporting options and programs available for those who experience sexual misconduct, including a victim’s options for maintaining confidentiality. In addition, the policy discusses the educational programs available to the university community on awareness, prevention, and bystander intervention. The policy also addresses the procedures that the university will follow in the event a student or employee fall victim to or witnesses an act of sexual misconduct, including the grievance and disciplinary procedures that the university will follow and the rights afforded to victims and the accused during such investigations and adjudications.

The policy applies to all students, employees, and others in the campus community, regardless of sexual orientation, when it is committed by a student, employee, or a participant in a university program, whenever that sexual misconduct occurs

a. on campus; or

b. off campus, if:

   1. in connection with a university or university-recognized program or activity; or

   2. in a manner that may pose an obvious and serious threat of harm to, or that may have the effect of creating a hostile educational environment for, any member(s) of the university community.
II. Rights Afforded to All Community Members

a. The right to have all acts of sexual misconduct treated with seriousness; and the right, as victims, to be treated with dignity and respect.

b. The right to have any acts of sexual misconduct investigated and adjudicated by the duly constituted criminal and civil authorities of the governmental entity in which the crimes occurred and the right to the full and prompt cooperation and assistance of campus personnel in notifying the proper authorities.

c. The right to be free from pressure that would suggest that victims (1) not report crimes committed against them to civil and criminal authorities or to the campus Public Safety and disciplinary officials; or (2) report crimes as lesser offenses than the victim perceives them to be.

d. The right to be free from suggestions that victims of sexual misconduct not report, or under-report, crimes because (1) victims are somehow "responsible" for the commission of crimes against them; (2) victims contributed to or assumed the risk of being assaulted; or (3) by reporting crimes, they would incur unwanted personal publicity.

e. The right to the full, prompt, and reasonable cooperation from campus personnel in responding to an incident of sexual misconduct.

f. The right to have access to counseling services established by the university or other victim-service organizations.

g. The right to require that campus personnel take the necessary steps or actions reasonably feasible to prevent unwanted contact with, or proximity to, alleged assailants following a report of sexual misconduct, including assistance with academic, workplace, and housing accommodations, if requested and reasonably available.

h. The right of both the complainant and accused to the same opportunities to have others present during a disciplinary proceeding.

i. The right of both the complainant and the accused to be informed of the outcome of any university disciplinary proceeding.

j. The right to be provided with written information regarding the victim's rights and options following a report of sexual misconduct.

III. Reporting Sexual Misconduct

The NSU community is encouraged to report to the local police (9-1-1) and NSU Public Safety Department (extension 28999 on campus and (954) 262-8999 off campus) all occurrences of sexual misconduct. Professional staff members in the Office of the Vice President of Student Affairs, Office of Residential Life and Housing, student counseling, the Office of Human Resources, and the NSU Public Safety Department are among those who are trained and willing to assist students and employees who are victims of sexual misconduct. Students aggrieved by a violation of this policy may file a grievance under Title IX. Employees may file a grievance with the Office of Human Resources. All reports of sexual misconduct will be thoroughly investigated by the university Title IX Coordinator or the Vice President of Human Resources or their designees.

Victims of sexual violence have the option to notify—or decline to notify—the proper law enforcement authorities, including NSU Public Safety and local police. Victims also have the option to be assisted by campus authorities in notifying law enforcement authorities if the victim so chooses. Students and employees may be assisted by and should report allegations of sexual misconduct to the following individuals.

**Stalking**

Any individual who willfully, knowingly, maliciously, or repeatedly follows; harasses; attempts to contact or communicate (written, verbal or electronic); and makes a credible threat placing the individual in reasonable fear of death or bodily harm may be in violation of NSU’s stalking policy. Such conduct is prohibited. Stalking causes substantial emotional distress in individuals and serves no legitimate purpose. Course of conduct means a pattern of conduct composed of a series of acts over a period of time, however short, evidencing a continuity of purpose.

**Student Publications**

Nova Southeastern University, as publisher, bears the legal responsibility for the contents of student publications. In the delegation of editorial responsibility to students, the university provides sufficient editorial freedom for the student publications to maintain their integrity of purpose as vehicles of free inquiry and free expression in the Nova Southeastern University academic community.

The delegated editorial freedom of student editors and managers is subject to corollary responsibilities to be governed by the canons of responsible journalism, such as the avoidance of libel; indecent, undocumented allegations; attacks on personal integrity; and the techniques of harassment and innuendo.

As safeguards for the delegated editorial freedom of student publications, the following provisions are made:

- The student press shall be free of censorship and advance approval of copy, and its editors and managers shall be free to develop their own editorial policies and news coverage
- Editors and managers of student publications shall be protected from arbitrary suspension and removal because of student, faculty, administrative, or public disapproval of editorial policy or content. Only for proper and stated causes shall editors and managers be subject to removal, and then by orderly and prescribed procedures
- All university published and financed student publications shall explicitly state on the editorial page that the opinions therein expressed are not necessarily those of Nova Southeastern University or of the student body

**Theft or Unauthorized Possession**

Students involved in the taking, sale, or possession of property without the consent of its owner or without proper remuneration may be subject to university disciplinary action and a fine, as well as arrest and prosecution by legal authorities.
Title IX Compliance Policy

Title IX of the Education Amendments of 1972, 20 USC Sections 1681 et seq., prohibits discrimination on the basis of sex in schools, whether in academics or athletics. In furtherance of Title IX, Nova Southeastern University has adopted a Title IX Compliance Policy. It is the university's policy that no student enrolled at NSU shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subject to discrimination under any educational program or activity receiving federal financial assistance. In addition, the university has adopted a comprehensive sexual misconduct policy that addresses sexual harassment, discrimination, assault, and other related violations involving sex/gender and can be found at nova.edu/studentaffairs.

Students are entitled to file a grievance or complaint with the Title IX Office if they perceive they have been a victim of sexual misconduct or discrimination on the basis of sex. Students should contact Robert Pietrykowski, vice president of Human Resources, at (954) 262-7893. The grievance procedure is available from the Office of Student Affairs, Rosenthal Building, and is outlined in the sexual misconduct policy.

Tobacco-Free Policy

Smoking and tobacco use are prohibited in all Nova Southeastern University facilities and on all university property and other properties owned or leased by the university with no exception. This includes, but is not limited to, all indoor and outdoor areas and properties. Indoor areas and properties include, but are not limited to, all common work areas, elevators, hallways, university-owned or leased vehicles, garages, restrooms, dining areas, employee lounges, conference and meeting rooms, and all other enclosed areas in the workplace. Outdoor areas include, but are not limited to, parking lots, grounds, rooftops, plazas, courtyards, entrance and exit ways, and any other areas of the university campus.

For purposes of this policy, “smoking” is defined as inhaling, exhaling, burning, carrying, or possessing any lighted tobacco product including cigarettes, cigars, pipe tobacco, and any other lit tobacco products.

For the purposes of this policy, “tobacco use” is defined as the personal use of any tobacco product, whether intended to be lit or not, which shall include smoking as defined above, as well as the use of an electronic cigarette or any other device intended to simulate smoking and the use of smokeless tobacco, including snuff; chewing tobacco; smokeless pouches; or any other form of loose-leaf, smokeless tobacco; as well as the use of unlit cigarettes, cigars, and pipe tobacco.

Policy Application

This policy applies to all students, faculty and staff members, volunteers, consultants, contractors, and visitors and extends to all facilities occupied or controlled by Nova Southeastern University, including educational centers located in the state of Florida and throughout the United States. Smoking and tobacco use is also prohibited in all university-owned or leased vehicles, including but not limited to, public safety vehicles, physical plant vehicles, the Shark Shuttle, and golf carts.
**Trespass Policy**

Nova Southeastern University reserves the right to prohibit trespass onto its property. University employees whose duties include building or property supervision or the general safety and protection of persons or property may issue a trespass warning. A trespass warning may be issued to students or nonstudents and may apply to an individual's vehicle, as well. The revocation of a person's privilege to be on the lands, within the buildings, or on the premises of the university may be restricted to time and place by the agent of the university issuing the trespass warning.

**Unauthorized Entry**

Any student who enters, attempts to enter, or remains in any room, building, motor vehicle, trailer, or machinery without proper authorization may be subject to university disciplinary action, as well as arrest and prosecution by legal authorities.

**Unauthorized Possession of University Property**

Students in possession of property owned or controlled by Nova Southeastern University without authorization for such property will be subject to university disciplinary action and/or restitution. In addition, students may be referred to legal authorities for prosecution.

**Use of University Vehicles**

Nova Southeastern University policy mandates that all personnel and students who either are required to, or wish to, use a NSU vehicle must first successfully complete the National Safety Council Defensive Driving DDC-4 course provided by NSU Public Safety. The Public Safety department provides, as its vehicle driver training course, the most current version available of the National Safety Council Defensive Driving Course.

Prior to contacting Public Safety, a requestor’s supervisor must first contact the director of Risk Management at (954) 262-5271 to determine the person's eligibility to drive an NSU vehicle. After receiving approval, an appointment can then be made with Public Safety’s John Touhsant, training and development specialist, at (954) 262-8981 or by emailing JTouhsant@nova.edu. The vehicle training program is available by appointment, during business hours.

Upon satisfactorily passing the Defensive Driving DDC-4 course, the person will receive an identification card, which is used to sign out vehicles through NSU with Enterprise Leasing.

**Vandalism or Destruction of University Property**

Defacing, littering, or damaging property of the university is prohibited.
Weapons and Firearms

Weapons and firearms are prohibited on campus. A weapon includes:
• any item designed to inflict a wound or cause injury to another person
• any item used to harass, threaten, intimidate, assault, or commit battery
• any item the university deems dangerous

A firearm includes:
Any weapon that is designed, or may readily be converted, to expel a projectile by the action of an explosive; the frame or receiver of any such weapon; and any firearm muffler or firearm silencer.

See NSU weapon and Firearm policy at: nova.edu/publicsafety/forms/nsu_weapons_policy.pdf
• Law enforcement personnel are exempt from this policy.

3. In addition, students who make and/or deliver worthless checks to the university or any of its agents may be subject to criminal prosecution by legal authorities.

Enrollment and Student Services’ official means of communicating with students is via SharkLink and NSU email. Students are encouraged to use NSU’s SharkLink to:

- access their email
- access their financial aid information
- request official transcripts
- view their student accounts
- make payments
- access their grades
- register for classes
- apply for student employment
- sign the Student Enrollment Agreement (SEA)

The SharkLink system is available 24 hours a day, 7 days a week. Students may also call the University Call Center for questions or visit one of the One-Stop Shops on campus.
The Office of Student Financial Assistance
The Office of Student Financial Assistance is dedicated to helping students make informed financial choices while in college. There are four types of financial aid available to assist in meeting the cost of attending college: grants, scholarships, student employment, and loans. Grants and scholarships are considered “gift” aid and generally do not have to be repaid. However, if a student drops or withdraws from any classes for which financial aid has been received, the student may have to return any “unearned” funds. Loans are considered “self-help” aid and always have to be repaid. Student employment requires the student to work in exchange for a paycheck. Please remember that students interested in federal financial aid must complete the Free Application for Federal Student Aid (FAFSA) and meet general eligibility criteria. For detailed information on the financial aid process and sources of aid, visit the financial aid website at nova.edu/financialaid.

Financial Aid Checklist

☐ 1. Complete the FAFSA.
   Complete the Free Application for Federal Student Aid (FAFSA) at fafsa.gov annually. The 2016–2017 academic year is the last year that the FAFSA became available on January 1. The FAFSA for the 2017–2018 academic year will become available in October 2016. The earlier you apply, the better chance you have of being considered for maximum available funds. To apply for Florida grants and scholarships, undergraduate students must complete the NSU State Aid Application available at nova.edu/financialaid/forms.

☐ 2. Plan for Housing and Meal Expenses.
   Your budget includes a housing and meal component. Please ensure that your budget covers these expenses if you intend to live on campus.

   Regularly check your financial aid status via SharkLink to ensure that you have no outstanding requirements. The link to My Financial Aid is located in the center of your SharkLink Student tab. Now is a good time to confirm your admissions status. You will have to be fully admitted in order for your financial aid funds to disburse.

☐ 4. Submit Additional Documents and Complete a Master Promissory Note.
   Some students may be required to submit additional documents prior to being awarded. You will be notified of outstanding requirements via NSU (SharkLink) email. If you are interested in receiving Federal Direct Loans, you will be required to complete a Direct Loan Master Promissory Note (MPN) and entrance counseling at studentloans.gov.

☐ 5. Accept, Reduce, or Decline Your Loan and Federal Work-Study Award(s).
   Your financial aid award notice will provide you with detailed instructions on how to accept, reduce, or decline your financial aid award. Your award will not be disbursed until this step has been completed.

☐ 6. Don’t Forget to Continually Apply for and Identify Scholarships.
   Schedule time regularly to search for scholarships. The best place to start is the scholarship webpage at nova.edu/financialaid/scholarships.

☐ 7. Check Your NSU (SharkLink) Email Daily.
   NSU (SharkLink) email and SharkLink are the official means that the OSFA will use to communicate with students. Keep up-to-date by checking your NSU email daily.
8. Register for Classes (early).
Students awarded Federal Direct Loans must be enrolled at least half time. Half-time enrollment is defined as six credits per semester for all undergraduate students. For graduate and first professional students, your program of study defines half-time status. Enrollment requirements for federal and state grants vary. Familiarize yourself with the enrollment requirements defined by your program office as well as by the financial aid programs through which you are receiving aid. Be sure to register as early as possible to ensure timely disbursement of your financial aid funds.

Return of Title IV Funds
Any student who does not complete at least one course within an academic semester for which financial aid is received, or could have been received, will be reviewed for a Return of Title IV Funds calculation. For complete information, please review nova.edu/financialaid/apply-for-aid/title-iv-return.

Student Employment
There are three main student employment programs: Federal Work-Study (FWS), Nova Student Employment (NSE), and Job Location and Development (JLD). The NSE and JLD programs provide jobs to students regardless of financial need. The FWS program is need-based and requires the completion of the FAFSA. Students awarded FWS may participate in the America Reads/America Counts Programs through which students serve as reading or math tutors to elementary school children. New on- and off-campus jobs are available throughout the year. For more information on NSU student employment, including instructions on how to apply, visit nova.edu/financialaid/employment.

Satisfactory Academic Progress (SAP)
In order to receive financial assistance, a student must continually meet Satisfactory Academic Progress (SAP). Different definitions of SAP apply for Florida state aid and federal aid. According to federal regulations, NSU has established university-wide quantitative, qualitative, maximum time frame, and pace SAP requirements. Students who fail to meet SAP during the 2016–2017 academic year will not be eligible for Title IV federal and Florida state financial aid during the 2017–2018 academic year. Comprehensive information is available on the financial aid website at nova.edu/sap.

Veterans Affairs
The Department of Veterans Affairs (DVA) educational benefits are designated to provide eligible individuals with an opportunity for educational and career growth. Detailed information regarding veteran benefits at NSU are available online at nova.edu/financialaid/veterans. Students may also contact the NSU Veterans Benefits Office at (954) 262-7236 or toll free at 800-541-6682, ext., 27236 Monday through Friday, between 8:30 a.m. and 5:00 p.m. or visit the veteran benefits office in the Horvitz Administration Building on the Fort Lauderdale/Davie Campus. Students may also learn about their education benefits by visiting the U.S. Department of Veterans Affairs online at benefits.va.gov/gibill or by contacting the DVA at 888-442-4551.

Grade/Progress Reports for Students Receiving Veterans’ Benefits
Nova Southeastern University furnishes each student with a Notification of Posting of Grade with instructions on how to view an unofficial transcript that shows current status of grades and earned semester hours for all courses completed and/or attempted, and grades for courses in which the student is currently enrolled. At the end of every evaluation period (e.g., term, semester) each veteran can request an official transcript which shows the current status of grades and earned semester hours for all courses completed and/or attempted. This transcript can be obtained from the One-Stop Shops in the Horvitz or Terry Administration buildings or online at sharklink.nova.edu.
Office of the University Bursar
The Office of the University Bursar is responsible for billing students, collecting and depositing payments, sending invoices and receipts, distributing student educational tax forms, issuing refunds from excess financial aid funds, and verifying students’ eligibility for financial aid funds. The office also assists borrowers of Federal Perkins and Health and Human Services Loans with repayment options.

Office of the University Bursar Policies
• By registering for courses at Nova Southeastern University, the student accepts financial responsibility for payment of all institutional costs including, but not limited to, tuition, fees, housing and meal plan (if applicable), health insurance (if applicable), and any additional costs when those charges become due.

• Payment is due in full at the time of registration. NSU e bills are sent the middle of each month to the student’s NSU email address. However, to avoid late charges, students should not wait for their billing statement to pay their tuition and fees.

• A student will not be able to register for future semesters until all outstanding balances from previous semesters have been paid in full. If a student has a balance 30 days after the start of the semester, a hold and a $100 late fee will be placed on his or her account. This hold stops all student services, including, but not limited to, access to the University RecPlex, academic credentials, grades, and future registrations. It will remain on the student’s account until the balance has been paid in full.

• Delinquent student account balances may be reported to a credit bureau and referred to collection agencies or litigated. Students with delinquent accounts will be liable for any costs associated with the collection of unpaid charges, including attorney fees and court costs. All registration agreements shall be construed in accordance with Florida law, and any lawsuit to collect unpaid fees may be brought in the appropriate court sitting in Broward County, Florida, regardless of the student’s domicile.

Methods of Payment
NSU accepts Visa, MasterCard, and American Express. Check payments include traveler’s checks, cashier’s checks, personal checks, and money orders. International checks must be in U.S. funds only and drawn on a U.S. bank. Wire transfers are accepted. Electronic check and credit card payments can also be made through NSU eBill, SharkLink, or WebSTAR. Students can access NSU ebill using their SharkLink ID and password to authorize other individuals (e.g. parent, spouse, or grandparent) to view their bill and make payments to their account. Credit card authorization forms can be downloaded from the Bursar’s website at nova.edu/bursar/forms/cc_authorization.pdf and faxed to (954) 262-2473. Students may also mail a payment to the Office of the University Bursar or make payments in person at the One-Stop Shops on the Fort Lauderdale/Davie Campus.

Payment and Tuition Assistance Plans
MSU Payment Plans
NSU Payment Plans allow students (with the exception of international students) and their families to pay university charges in installments. For more information, visit nova.edu/bursar/payment/payment_plans.
Tuition Assistance Plans

– provide postdated payments (check or credit card authorizations) for the amount of tuition. Payment of tuition only (not fees) may be deferred for five weeks after course completion.
– pay a $75 deferment fee along with all other fees
– notify the Office of Student Financial Assistance of participation in an employer tuition assistance program

• Tuition Direct Billing

A student whose employer, sponsor, or guarantor has agreed to be direct billed by NSU must notify the Office of the University Bursar accordingly. The student must, before the first day of classes,

Florida Prepaid College Plan

NSU accepts and bills the Florida Prepaid College Plan for tuition, fees, and on-campus housing costs. The plans are based on the tuition rates of the tax-assisted Florida public colleges and universities. The difference between NSU tuition, fees, and on-campus housing costs and the allocations through the Florida Prepaid College Plan is the sole responsibility of the student. If a student is on the unrestricted plan, the student must designate a dollar amount for up to the cost of tuition and fees. Students new to NSU must contact Florida Prepaid at 800-552-GRAD to authorize NSU for payment. For those students who have notified the Florida Prepaid College Plan that they are attending NSU, the plan will automatically be billed based on the hours of enrollment after the drop/add period. A student may request changes to this procedure by submitting a completed and signed Florida Prepaid College Plan Billing Request Form available on the bursar website at nova.edu/bursar/forms. To learn more about the Florida Prepaid College Plan, visit myfloridaprepaid.com.
The Office of the University Registrar

These services include, but are not limited to, course registration, transcript processing, name and address change, loan deferment, enrollment and degree verification, grade processing, commencement, degree conferral, transfer of credit services, and general university information. Additional information is available at nova.edu/registrar.

Transcript Requests

Students may view a complete academic history, print out an unofficial transcript, and request an official transcript via the Student tab in SharkLink. In addition, a Transcript Request Form, available online at nova.edu/registrar/forms/transreq.pdf, can be completed and submitted in person to the One-Stop Shop, via fax to (954) 262-4862 or via regular mail to:

Nova Southeastern University
Enrollment and Student Services
Office of the University Registrar
3301 College Avenue, Fort Lauderdale, Florida 33314-7798

There is a $10 fee per official transcript.

Grades

Once grade(s) have been posted to the student’s academic record, a notification email directing students to SharkLink to view their grades is sent. An official grade report may also be printed from SharkLink.

Class Registration and Changes

All students must complete an online Student Enrollment Agreement (SEA) form each semester/term in order to register for classes. The SEA outlines the university's standards and policies regarding course registration and withdrawal, financial responsibility, and more. A copy of the SEA is available on the registrar's website at nova.edu/registrar/forms/catch-the-sea-wave.pdf. Students must be officially registered prior to the start date of the semester/term in order to participate in and receive academic credit for those courses. All holds must be cleared at the time of registration. Late registration will not be accepted if due to a financial hold that was not cleared prior to the close of the registration period. Students are responsible for reviewing their registration and academic records each semester/term for accuracy and for promptly notifying their program office/adviser of any discrepancies. Students have no more than 20 days after the end of a semester/term to resolve any discrepancies. Petitions for retroactive drops, withdrawals, or refunds for a course will only be considered based on documented extenuating circumstances. Appropriate documentation may include medical records and death certificates.

Roster Reconciliation

University policy requires that each faculty member reconciles and validates the accuracy of his or her class roster during the second week of the semester/term as determined by the approved Nova Southeastern University academic calendar. Any student deemed as a non-attendee will be dropped from the class roster by the Office of the University Registrar.

Students who believe they were reported in error as non-attendees must communicate with the instructor who is the only one able to correct the record. Faculty members must email rostrec@nova.edu to request a student be left on the class roster who was originally reported as not in attendance.
Name and/or Social Security Number Changes
NSU requires official documentation to make any change to the name or Social Security number students have on record. Acceptable documents verifying a name change include a marriage license or certified abstract of marriage, divorce decree, driver’s license, certificate of naturalization, permanent or conditional permanent resident card, resident alien card, passport (book or card), court order (final judgment of name change or final judgment of change of name), uniformed services military identification card, birth certificate (acceptable only for correcting spelling errors), and a Bureau of Vital Statistics card. Documents that will not be accepted for verifying a name change include a petition of name change, Social Security card, petition for naturalization, employee identification card, and professional license card. To change a Social Security number, submit a Data Change Form along with a copy of your signed Social Security card.

Gender Change
NSU requires official documentation to make a change in gender. Provide the previous and current names along with the student identification number. A court order is the only official documentation required to update the student record with a gender change.

Address Changes
Students may change their address via SharkLink or submit a written request to the Office of the University Registrar via fax at (954) 262-2915, in person at the One-Stop Shop, or via email to studentupdates@nova.edu.

Transfer Evaluation Services

Remaining credits and at least 50 percent of credits in the student’s major must be earned at NSU in regular academic offerings.

Transfer students who have earned an Associate in Arts degree or 60 credits as of 1992 to the present from a Southern Association of Colleges and Schools (SACS) accredited institution and who are in good academic standing, as defined by the transfer institution, shall be admitted to NSU with junior standing. Grades of C- and D will transfer under this policy. Applicable credits are transferred based upon received transcripts.

The evaluation of transfer credit is performed on both unofficial and official transcripts. However, a student will not receive full acceptance to the university nor financial aid until all final official transcripts have been received. Students will be advised to take courses at NSU based upon the completed transfer evaluation.
Official transcripts from all previously attended institutions should be sent to:

University Health Care Centers

The Health Professions Division Health Care Centers serve an important function and are an integral part of the HPD training programs. They provide a vital community function by bringing health care service to areas whose medical needs traditionally have gone unmet.

Sanford L. Ziff Health Care Center

The Ziff Health Care Center is a state-of-the-art primary care facility with full-service, radiologic-diagnostic capabilities. Contained at the health care center are family medicine, pediatrics, X-ray, occupational therapy, pharmacy, physical therapy, rehabilitation, nephrology, hypertension, sports medicine, an optometric center, optical dispensary, OB-GYN, dermatology, and general internal medicine. Complete dental services are available next door at the clinics operated by the NSU College of Dental Medicine. Ambulatory medical, optometric, and dental care is made available during regular business hours for the university community. When a student or a family member needs care, they may make an appointment with the University Health Service. For those unable to make appointments in advance, hours will be posted. For urgent situations, contact the University Health Service at (954) 262-4100. Most insurance policies are accepted by the health facility for medical services. Consultation with specialists, when needed, will be arranged by the University Health Service, and such specialty care will be the student's financial responsibility. Direct visits to specialties without referral by the University Health Service are strongly discouraged.

Campus Pharmacy

Located adjacent to the Ziff Health Care Center is the pharmacy where prescriptions, over-the-counter remedies, herbal, and homeopathic remedies are available. The pharmacy Wellness Center addresses diabetes, high blood pressure, and other diseases.

The 325,000-square-foot Alvin Sherman Library is a joint-use facility with the Broward County Board of County Commissioners. It serves students and faculty and staff members of NSU, as well as residents of Broward County. The five-story structure encompasses electronic classrooms, group-study rooms, a café, and service desks with staff trained and ready to serve library users. Collections of electronic resources support the research of students, faculty, and staff. A large spacious atrium houses educational art pieces. The reference desk is situated on the second floor clearly visible to students, and it is enhanced by the NSU Glass Garden created by glass artist Dale Chihuly for the Sherman Library. The 500-seat Rose and Alfred Miniaci Performing Arts Center enriches university curricular support and the improvement of the quality of life in South Florida. Overall, the university's libraries house more than one million items. Interlibrary agreements through organizations such as the Online Computer Library Center, the Southeast Florida Library Information Network, the Consortium of Southeastern Law Libraries, and the National Library of Medicine provide broad access to a wide range of materials.
