I understand that it is required that the "Student Activities Request Form" is to be completed and signed by each of the appropriate administrators (see reverse side), at least two weeks prior to the date of the activity, in order to conduct the activity and reserve facilities and special services. These requirements must be met prior to posting announcements. I understand that if these requirements are not met, the activity cannot be held, and facilities and special services will not be available.

I will submit to each of the appropriate administrator any changes to the information on the "Student Activities Request Form". Changes must be submitted in writing, and authorized by each administrator at least five working days prior the date of the function.

I understand cancellation must be in writing through the office of Academic Support, HPD Executive Office room 1511.

If catering is required, I will make arrangements with the NSU-affiliated NSU Catering. I understand they hold exclusive contractual right to serving food and beverages at the HPD complex. Their phone number is (954) 262-5302.

I will contact and/or follow-up with other appropriate departments to expedite my request for room set-up, equipment and special services.

I will communicate to the attendees that food and beverages are not allowed in HPD lecture auditoriums.

I understand this student activity will be attended by the Faculty Advisor.

I will inform the attendees that they must park in the Health Professions Division garage or adjacent lot, and will help assure that this regulation be enforced.

I understand that no alcoholic beverages are permitted at the HPD complex, and I will help assure that this regulation be enforced.

I understand that non-HPD functions and for off-campus functions, the laws of the State of Florida regarding the serving and consumption of alcohol must be strictly adhered to. Service of any alcohol to minor, or to persons who are intoxicated, can result in liability to the server, and organization. I will help assure that this law be enforced.

I understand the "NSU-HPD Statement of Conduct". I understand that this statement must be printed on all advertisements and announcements regarding the activity, and it will be posted at the activity.
