6. ARTWORK/LOGO AND DESIGN APPROVAL PROCESS

If your organization is to order any promotional items* (e.g., t-shirt, mugs, pens, backpack, etc.) and the funding for the order of these items is to be paid from your student activity accounts budget (a.k.a. student organization budget), all artwork(s) and design(s) including the use of any logo (organization's or university's) MUST BE REVIEWED and APPROVED by the Student Affairs' office of administrative services and marketing.

How to send your artwork/design for review and approval:

- a) Send email of the mock up proof with your design and artwork shown on the product you plan to order to studentmkt@nova.edu.
- b) If your design is approved, you will receive an email approval in writing via email within 24–48 business hours. Please then forward the approval email along with your copy of the request for funds and any applicable invoices or receipts to studente@nova.edu. Without the email approval attached, the student activity fee accounts office will not process your request for funds.
- c) If your design is not approved, an instruction will be given on how to make correction.
- d) After correction is made, please ask your vendor or designer to provide you with new proof and resubmit the new proof to studentmkt@nova.edu.
- e) Any modification to the artwork or design after the approval was given, needs to be sent back to studentmkt@nova.edu for new approval again.
- f) It is **IMPORTANT** to note that each approval is only applied to the proof for which it was sent. Even though the same design/artwork is to be used again on different item(s), different order, or on any future order, **a new approval needs to be given every time**. This is to ensure the correct usage (i.g. placement) of the art, especially that of the logo.

Please refer to logo usage guidelines for additional and related information.
