Getting Started

COURSEWORK TRANSFER

The easiest way to view equivalencies for courses from many institutions across the United States and select foreign institutions is to check out the Transfer Credit System on our website at nova.edu/tes.

TRANSFER CREDITS

Nova Southeastern University (NSU) will transfer a maximum of 90 degree-applicable credits toward a degree, including credit for the College-Level Examination Program (CLEP), proficiency exams, prior experiential learning, and dual-enrollment college-level credits.

NSU will transfer courses for which a student has earned a grade of C or higher. Remaining credits, and at least 50 percent of credits in the student's major, must be earned at NSU in regular academic offerings.

To view equivalencies for courses taken at other institutions, access the online Transfer Credit System available at nova.edu/tes.

Credits will be transferred based upon receipt of official and/or unofficial transcripts with at least a provisional admit status to the university. Transfer students must provide final official transcripts from all previously attended colleges for full admit status.

Students will be advised to take courses at NSU based on the completed transfer evaluation.

Transfer students who have earned an Associate of Arts degree or 60 credits as of 1992 from a Southern Association of Colleges and Schools Commission on Colleges (SACSCOC)-accredited institution and are in good academic standing, as defined by the transfer institution, shall be admitted to NSU with junior standing.

MULTIPLE SOURCES FOR CREDIT

Test Scores

NSU will accept the following test scores for course credit:

- AP/AICE/IB/CAPE
- CLEP/DSST/NYU Proficiency Exam

Visit our website for passing scores and applicable NSU course credit information.

Military Transcripts

If you are an active duty service member or a veteran of the United States Armed Forces, you can receive college credit for your military service.

Full Portfolio (Course Challenge)

If you have knowledge or skills that align with specific course learning outcomes, you may be eligible to request academic credit by submitting a full portfolio (course challenge).

Professional Certifications/Licensures

NSU may award college credits for select professional certifications and licensures.

FOREIGN CREDENTIALS

Courses completed at foreign institutions must be evaluated and translated to English by a National Association of Credential Evaluation Services (NACES)-approved agency. A listing of NACES-approved evaluation agencies is available at naces.org. A course-by-course evaluation with grade point average is required. For more information, visit the Office of International Students and Scholars at nova.edu/internationalaffairs/students/prospective/index.html
